

**A RESOLUTION**

To support local civic leaders and residents' consideration of pursuit of legal actions against the Public Service Commission's (PSC) recent approval of the We Energies and American Transmission Company's (ATC) joint application to construct two overhead transmission lines in Western Milwaukee County.

WHEREAS, on March 1, 2013, the Public Service Commission of Wisconsin approved a \$34 million joint application for We Energies and ATC to construct two 138kV electric overhead transmission lines and an associated substation in the City of Wauwatosa ; and

WHEREAS, the East-West section route for these lines begin at a proposed interconnection point located near 120th Street and West Diane Drive in the Underwood Parkway, Route B(1) lies north of and parallel to Underwood Creek and the CP railroad until it crosses to the south side of the creek at 115th Street, the route continues, following Underwood Creek, crossing the UP railroad, Watertown Plank Road, and STH 100, the route then turns and continues east, crossing the USH 45 freeway, and then parallels the east side of the freeway south to Watertown Plank Road, turning east, the route follows the north side of the street until it reaches a point just south of the proposed MC Substation site; and

WHEREAS, the North-South section route for these lines begin at the 96th Street Substation and follows the east edge of the USH 45 freeway ROW behind the Parkside Pool Apartments, the Montessori School, and St. Therese Church properties north to Watertown Plank Road, crossing Bluemound Road and Wisconsin Avenue, and the route will eventually reach a point just south of the proposed substation site, and the route then turns to proceed north into the substation; and

WHEREAS, civic leaders and residents of Milwaukee County favored and supported the option to bury the transmission lines, due to the concern for fire and safety hazards of high voltage overhead transmission lines in public parks and along County Parkways, as well as neighborhoods and school grounds, which may carry unknown risks associated with exposure to high levels of electromagnetic fields; and

WHEREAS, on February 2, 2012, the Milwaukee County Board of Supervisors adopted a resolution (File No. 12-134) opposing the construction of these overhead transmission lines proposed by We Energies and ATC as part of the Western Milwaukee County Electric Reliability Project; and

WHEREAS, on January 18, 2012, the City of Milwaukee's Common Council opposed overhead transmission lines on 95<sup>th</sup> Street with a unanimous vote of 15-0; now, therefore

BE IT RESOLVED, that the Milwaukee County Board of Supervisors hereby opposes the Public Service Commission's decision to approve the We Energies and

48 American Transmission Company's joint application for the Western Milwaukee  
49 County Electric Reliability Project, which includes the provision of constructing  
50 overhead transmission lines along Underwood Creek Parkway and the County  
51 Grounds; and

52 BE IT FURTHER RESOLVED that the County Board supports Milwaukee  
53 County municipalities, civic leaders, and/or residents in their pursuit of legal action to

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.<sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. ## **Commission Takes Action on Western Milwaukee County Reliability Project Application**

Madison - The Public Service Commission of Wisconsin (Commission) today approved the joint application of Wisconsin Electric Power Company and the American Transmission Company for authority to construct two 138 kV electric transmission lines and an associated substation in Wauwatosa in order to increase reliability for the Milwaukee Regional Medical Center and growing electric loads in the western portion of Milwaukee County.

"There is no disagreement that there is a need to increase reliability for the Western Milwaukee area and Milwaukee Regional Medical Center, and I think the Commission's action today represents our commitment to finding a balance between the needs of electric customers, the ratepayers, and landowners affected by the project," said PSC Chairperson Phil Montgomery.

"Siting was challenging in this case, and the Commission appropriately balanced economic, engineering, environmental, and community concerns to get to a good result," said Commissioner Eric Callisto.

The Commission's routing decisions favored above-ground transmission options when possible in an effort to protect ratepayers from undue costs of undergrounding. The Commissioners agreed that undergrounding is appropriate in very limited situations, generally to address technical or engineering concerns.

Commissioner Nowak stated that it must be technically necessary for the line to be undergrounded, consistent with commission precedent which states that "underground construction is not a viable transmission option unless engineering considerations require it or circumstances leave no other reasonable option available." (PSC Ref.: #165332 at p.36, Docket No 5-CE-136.)

"The fact that Wisconsin has over 11,000 miles of transmission lines and under 1% of those lines are underground demonstrates the rarity in which the decision to underground is made," said Commissioner Nowak.

The cost difference between the suggested all-above-ground transmission routes compared to the cost of all-underground routes in this case is a difference approximately \$35 to \$50 Million, or a total cost of \$11.6M with no undergrounding vs. a total cost of \$45.4 - \$61.5M with all undergrounding. The total cost for transmission lines only, as cited by the Commission today, is approximately \$18 million.

The total project cost as sited, including all transmission, substation, and certification costs, will be approximately \$34 million.

The Commission-approved routes for the project are as follows:

East-West Section: The route begins at a proposed interconnection point located near 120th Street and West Diane Drive in the Underwood Parkway. Route B(1) lies north of and parallel to Underwood Creek and the CP railroad until it crosses to the south side of the creek at 115th Street. The route continues, following Underwood Creek, crossing the UP railroad, Watertown Plank Road, and STH 100. The route then turns and continues east, crossing the USH 45 freeway, and then parallels the east side of the freeway south to Watertown Plank Road. Turning east, the route follows the north side of the street until it reaches a point just south of the proposed MC Substation site.

North-South Section: The route begins at the 96th Street Substation and follows the east edge of the USH 45 freeway ROW behind the Parkside Pool Apartments, the Montessori School, and St. Therese Church properties north to Watertown Plank Road, crossing Bluemound Road and Wisconsin Avenue. While the Commission will return to decide where undergrounding will begin at this section, the route will eventually reach a point just south of the proposed substation site. The route then turns to proceed north into the substation.

All documents associated with the application may be found at the Commission's web site, <http://psc.wi.gov>, by typing in docket number 5-CE-139 into the Electronic Regulatory Filing System.

**COUNTY OF MILWAUKEE  
INTER-OFFICE COMMUNICATION**

**DATE:** April 23, 2013

**TO:** Marina Dimitrijevic, Chairperson, County Board of Supervisors

**FROM:** Greg High, Director of AE&ES Section, Department of Administrative Services

**SUBJECT:** **Urban Non-Point Source & Storm Water (UNPS&SW) Program Planning Grants**

**POLICY**

The DAS Director is requesting authorization to have the Department of Administrative Services—Architecture, Engineering and Environmental Services Section apply for and accept UNPS&SW Program Planning grants offered by the Wisconsin Department of Natural Resources in fiscal year 2014.

**BACKGROUND**

Milwaukee County was issued a storm water permit from the Wisconsin Department of Natural Resources (WIDNR) in 2006. The permit requires that the County develop and implement a public involvement and participation program intended to increase awareness of storm water pollution impacts on surface waters and to encourage changes in citizen behavior to reduce impacts.

Other municipalities in the region have similar requirements, and some have banded together to improve the effectiveness of their limited resources. Certain non-profit organizations in the region also share similar goals of improving awareness about the adverse impacts from storm water, such as the Southeastern Wisconsin Watershed Trust, Inc. (SWWT). Milwaukee County Department of Administrative Services and County Parks Department staff have worked cooperatively with SWWT in coordinating water pollution control efforts in the region. County staff have also been active in working with the Menomonee River Group (MRG), a partnership of municipal governments active in that watershed. SWWT and MRG are working together with the WIDNR in efforts to increase water quality improvements in the region, including efforts to better coordinate storm water education efforts like those potentially supported by this WIDNR initiative.

WIDNR is making available planning grant funds that can be used for public education and awareness. The WIDNR Urban Non-Point Source & Stormwater Program Planning Grants are offered to Wisconsin counties, cities, towns, and villages as competitive grant process to improve urban water quality by limiting or ending sources of urban nonpoint source pollution, also known as storm water or run-off pollution. As storm water accounts for more than 90% of the pollutant loadings in the rivers and streams of greater Milwaukee, additional improvements in water quality must include work to reduce this category of pollutants. Among the eligible activities allowed by the grant are “Public participation, education, and outreach activities.”

As noted, the Urban Non-Point Source & Storm Water Planning Grant funding is available to government entities, but not to non-governmental organizations such as SWWT and MRG. In 2011, Milwaukee County applied for and was awarded a similar grant. This application will seek to continue the public education efforts started during the previous grant.

As an eligible entity, Milwaukee County can apply for this grant and SWWT can perform the public education activities outlined in the proposal scope and strategy, working on behalf of its municipal partners. The cost share required by the WIDNR would be provided by SWWT, using both its own resources, funds raised through SWWTs fundraising efforts, and with funding offered by the other municipal partners working with SWWT. Should SWWT be unable to provide the required cost share, DAS will not accept the grant.

### RECOMMENDATION

It is recommended that the DAS Director be authorized to have the Department of Administrative Services—Architecture, Engineering and Environmental Services Section apply for and accept an Urban Non-Point Source & Storm Water Planning Grant for the purposes of public education and outreach on storm water impacts.

State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

<b>A. PUBLIC INVOLVEMENT, EDUCATION, AND OUTREACH</b> <u>BMP Description:</u> <b>Turf Quality Workshop</b> On April 27, Milwaukee County hosted a workshop on maintaining turf quality while using less fertilizer. Fortin Consulting led the workshop. The intent of the workshop was to educate about ways to reduce fertilizer amounts, thereby saving money and reducing negative impacts on nearby waterways.  <b>Franklin Sports Complex Parking lot</b> On November 8, a media event was held to recognize the opening of the reconstructed parking lot at the Sports Complex. The parking lot features permeable pavement, which will reduce the impact from storm water runoff to the nearby Root River. The Milwaukee County Parks also posted construction progress on their Facebook Page and permanent signage is planned for 2013 to educate Sports Complex visitors.  <b>Menomonee River Group Public Education Committee</b> In 2012 Milwaukee County made a \$1,600.00 contribution to support a regional public education program spearheaded by the Menomonee River Group Public Education Committee. These funds were used to develop and implement a multi-media public education program.  <b>Milwaukee County Zoo</b> The Milwaukee County Zoo has erected a sign to educate the more than 1.2 million yearly visitors on storm water runoff. They also plan to erect signs to describe the rainwater collection system that were installed in 2012 (See Section F).  <u>Responsible Dept./Person:</u> Department of Administration, Facilities Management Division, Architecture, Engineering & Environmental Services Section			

Measurable Goal(s):

Please see above section BMP Description

Progress Made Towards Achieving Goal(s):

Please see above section BMP Description

Planned Activities for Next Reporting Year:

A green roof was installed on top of one of the flat roof buildings connecting the Domes at Mitchell Park Conservatory. An educational display will be installed inside the building to show how the green roof was constructed and to describe its benefits.

Milwaukee County intends to continue its support of the Menomonee River Group Public Education Committee.

Program Modifications or Changes to Measurable Goal(s):

NA

**B. ILLICIT DISCHARGE DETECTION AND ELIMINATION**Screening Strategy (priority areas identified in plan?):

Milwaukee County's strategy for detecting illicit discharges and connections is described by the following activities:

1. maintenance and upgrades at County facilities
2. development and implementation of SWPPPs at applicable facilities
3. field screening of major outfalls
4. tracking and containing spills
5. regular maintenance of storm sewers
6. continued refinement of the County's stormwater map
7. education of County employees
8. Milwaukee County's CMOM Program
9. targeted illicit connection program

Number of Outfalls Screened, Parameters Used, Detection Limits:

See Attachment 1

Number of Illicit Discharges / Illegal Connections Detected (identify outfall ID numbers):

No illicit discharges or detection were found in 2012.

In 2012 Milwaukee County investigated an incident where foaming was reported at stormwater pond #1 on the County Grounds. After investigation it was determined that the foaming was caused by a fire suppressant that entered the storm system as a result of the Wauwatosa Fire Department putting out a coal fire at the WE Energies power plant on Watertown Plank Road.

Screening Strategy for Next Reporting Year (identify priority areas / basins and outfall ID's):

The standard screening strategy as outline above will continue in 2013.

Milwaukee County will also be continuing an investigation into sources of human fecal contamination in stormwater outfalls owned by Milwaukee County. The investigation will be conducted by Clark Dietz using storm sewer and sanitary sewer mapping and the analytical results of outfall sampling performed by the Great Lakes Water Institute. In 2013, several outfalls along the Menomonee River with a history of human fecal contamination will be monitored during dry weather for flow and water samples will be taken if flow is present.

Storm Sewer Map Updated? (summarize changes identifying basins and outfall ID's):

There were no updates to Milwaukee County's storm sewer map in 2012.

**C. CONSTRUCTION SITE POLLUTANT CONTROL**Target Number of Inspections (measurable goal, can be represented as percentage of permits issued):

Milwaukee County does not issue construction site erosion control permits, but defers to municipalities within Milwaukee County to write and enforce ordinances. Milwaukee County conforms to local municipal erosion control ordinances on all applicable construction sites.

**D. POST-CONSTRUCTION STORM WATER MANAGEMENT**Number of Storm Water Management Plans Reviewed:

Milwaukee County reviews stormwater management plans for development on and connections to County stormwater structures within County Trunk Highways. These plans are also reviewed by the local municipality. There were no plans reviewed in 2012.

Approved or Scheduled Ordinance Updates:

None. Milwaukee County defers to local municipalities within the County to write and enforce post-construction storm water management ordinances.

Number of Redevelopment Sites Reviewed:

There were no redevelopment sites reviewed in 2012.

Are you Documenting TSS Reductions Achieved on Redeveloped Sites? (for later inclusion in MS4 pollutant loading analysis):

Milwaukee County will not be taking TSS reduction credit for redevelopment along County Trunk Highways.

Inspection and/or Scheduled Maintenance of Facilities Where a Long-Term Maintenance Agreement was Recorded:

None.

**E. POLLUTION PREVENTION**Estimate quantity of Street Sweepings and Catch Basin Cleanings Collected:

Milwaukee County has collected approximately 426 cubic yards of material through street sweeping and 44 cubic yards from catch basin cleaning. Please see attachment 2.

Summarize Findings of Municipal Yard Inspection(s), SWPPP Implemented and Up to Date?:

All Stormwater Pollution Prevention Plans are up to date. See attachment 3 for inspection reports.

Updates to Yard Waste Collection:

Milwaukee County does not collect residential yard waste. Plant material from parks and County facilities is collected and reused. Woody materials are chipped for mulch and grass clippings and leaves are left in place except on golf courses where they are moved to a different location.

Winter Road Maintenance Program (description and estimate quantity of anti-icing or deicing materials used):

		STATE	COUNTY
Salt:	26,438 tons	22,962	3,476
Liquid CaCl:	25,670 gals.	21,150	4,520
Dry CaCl:	15.33 tons	14	1.33
Salt Brine:	39,085 gals.	35,885	3,200
Sand/Salt:	0 tons	0	0

Planned Activities for Next Reporting Year:

Milwaukee County has hired Sigma Environmental to design a catch basin dewatering system to dewater material removed from catch basins prior to disposal at a licensed landfill. The intent is to lower the cost of landfilling the material to be able to clean more catch basins within existing budgets. The design has been on hold because the target site is within areas being considered for the Wisconsin Department of Transportation's Zoo Interchange reconstruction.

Program Modifications or Changes:

NA

**F. STORM WATER QUALITY MANAGEMENT**

Have there been any changes in implementation, maintenance, mapping or modeling of storm water management practices in the past year? If yes, please complete the remainder of Section F.

Yes	No

Pollutant Loading Analysis:

Date of last model run:	2010	"No Controls" Load (tons/yr):	1,218,826.20	"With Controls" Load (tons/yr):	782,880.40
Model Version Used:	SLAMM 9.4.0	Average Unit Area Load (lbs/acre/yr):		TSS Reduction %	35.8

Storm Water Management Plan:

If TSS percent reduction is less than 20%, has a strategy been developed under a municipal-wide storm water management planning effort to achieve compliance?

Projected Timeframe to Achieve 20% TSS Reduction (if applicable):

BMPs Implemented in Reporting Year:

The Milwaukee County Sports Complex parking lot was reconstructed and includes a large 2-acre area of permeable pavers to reduce the amount of polluted storm water runoff from the site that flows into the nearby Root River.

The Doctors Park parking lot reconstruction included a sedimentation chamber to reduce polluted runoff and a 30% reduction in total impervious area.

A green roof was installed at the Milwaukee County Domes.

The Milwaukee County Zoo installed two cisterns that collect roof runoff. The water is used for washing pavement.

BMP Maintenance Activities in Reporting Year:

Street sweeping and catch basin cleaning were completed. See Attachment 2.

BMP Inspections are completed twice annually. See Attachment 4.

Agreements or Discussions with Other Municipalities to Employ a Regional Watershed Approach?

Milwaukee County has joined the Menomonee River Watershed-Based MS4 Permit group.

Milwaukee County is assisting the MMSD on their efforts to develop a Regional Green Infrastructure (GI) Plan, that will serve to document the locations and benefits of existing GI, and identify mechanisms for stimulating more widespread implementation of GI in the MMSD service area. Environmental Services and Parks staff serve on the Technical Steering Committee.

Milwaukee County is also collaborating with 1000 Friends of Wisconsin, MMSD, and participating municipalities to promote watershed scale adoption of green infrastructure through updates to municipal codes and ordinances. The project will identify local codes and ordinances that are barriers to the implementation of green infrastructure and make recommendations and provide assistance to revise the codes. The project's focus area is the Menomonee River Watershed.

Planned Activities for Next Reporting Year:

General Mitchell International Airport is designing a green roof for the new baggage claim area. The green roof will be visible from the skywalks that lead from the parking garage to the terminal presenting another educational opportunity.

Milwaukee County is currently designing a treatment wetland at a stormwater outfall in the Menomonee River. The wetland will receive stormwater from a 100-acre treatment area. The project also involves the removal of a small dam. Construction is scheduled for 2014.

Milwaukee County is currently redesigning the 11-acre McKinley Marina parking lot. The design will incorporate stormwater BMPs to curb contaminated runoff from boat maintenance and vehicle parking areas. Construction is scheduled for 2014.

The Milwaukee County Department of Transportation through an MMSD Green Infrastructure grants will install permeable, articulating concrete block mats along three County highway shoulders to reduce erosion, improve water quality and lower right-of-way maintenance costs. In addition, one of the sites will be retrofitted with a subsurface gravel wetland to provide additional water quality benefits.

Locations of the work are: W. Rawson Ave between S. 92nd St. and state Highway 100; W. Layton Ave from S. 28th St. to S. 35th St.; and N. 107th St., between Brown Deer and County Line roads.

Program Modifications or Changes to Measurable Goal(s):

NA

**Section II. Identify any known or perceived water quality improvements or degradation in the receiving water to which the MS4 system discharges. Where degradation is identified, identify why and what actions are being taken to improve the water quality of the receiving water. Please describe the stream reach or lake effected and the basin / outfall ID contributing to the improvement or degradation.**

Milwaukee County anticipates that projects carried out in within the permit period will have positive water quality impacts. These projects include:

- Lake Michigan Outfalls as described in the NR 216 Permit (Bradford and McKinley Beaches)
- Pond & Lagoon Demonstration Projects (various locations)
- Boerner Botanical Gardens Rainwater Harvesting System
- Rain gardens, permeable pavers and green roof at the Milwaukee County Zoo
- Green Roof and pervious pavement installed at the Domes
- Franklin Sports Complex Pervious Pavers
- Doctors Park sedimentation chamber and pavement reduction

**Section III. Fiscal Analysis**

<i>Program Element</i>	<i>Annual Expenditure</i>	<i>2012 Budget</i>	<i>Source of Funds</i>
Public Involvement, Education and Outreach		\$ 31,900.00	
IDDE		\$ 27,364.00	
Construction Site Pollutant Control			
Post-Construction Storm Water Management			
Pollution Prevention		\$ 77,633.00	
Storm Water Quality Management	\$ 556,781.00	\$ 118,600.00	
Total	\$ 556,781.00	\$ 255,497.00	

This fiscal analysis reflects the permit obligation costs associated with the Environmental Services Unit of Milwaukee County's Architecture, Engineering and Environmental Services Division, the group tasked with compliance of the MS4 permit. Additional costs of permit compliance not included in this analysis are located within other departmental and/or project budgets. For example each construction project completed by Milwaukee County would have a construction site pollution control component as part of the specific project budget. Also, stormwater related projects completed by other departments such as the installation of pervious pavement at the zoo are not in this analyses.

The Annual Expenditure column reflects actual costs for the Environmental Services Unit in 2012 as described above. Milwaukee County does not track the various components of the analyses (e.g. Education, Public Involvement, IDDE, etc.) in Milwaukee County's accounting system. The total sum of all categories is contained in the "Storm Water Quality Management" category.

Subject: **Request to Enter into a Vendor Permit Agreement for Scooter Rental Concession Services at the Lakefront – ACTION**

### **POLICY**

The Department of Parks, Recreation and Culture (DPRC) respectfully requests authorization to enter into a vendor permit agreement for scooter rental concession services at the lakefront.

### **BACKGROUND**

In January 2013, the DPRC issued a number of Requests for Proposals (RFP) to provide various concession services in the Milwaukee County Parks located on the lakefront. Cream City Scooters LLC responded to the scooter rental concession RFP and, meeting all terms and conditions of the process, was awarded the opportunity. Cream City Scooters has been a long-standing partner with the DPRC renting scooters at McKinley Marina. The vendor is also permitted to sell non-alcoholic beverages and pre-packaged snack items.

The term of this agreement is five (5) years with two (2) options to extend the term for one (1) additional consecutive year. The vendor has agreed to pay the

County \$10,000 over the first five (5) years and an additional \$2,000 in year six (6) and \$2,000 in year seven (7), if renewed. In addition, there is a percentage profit-sharing agreement if gross receipts exceed established amounts.

Cream City Scooters is responsible for its own utility hookups and monthly payments.

This is a fair weather concession and will suspend operation whenever the Marina is closed.

### **RECOMMENDATION**

The Interim Parks Director respectfully recommends that the DPRC be authorized to enter into a vendor permit agreement with Cream City Scooters LLC for scooter rental concession services at the lakefront.

**VENDOR PERMIT AGREEMENT**  
**BETWEEN**  
**MILWAUKEE COUNTY DEPARTMENT OF PARKS, RECREATION AND CULTURE**  
**AND**  
**CREAM CITY SCOOTERS LLC**

This Vendor Permit Agreement (the "Agreement") is made and entered into effective \_\_\_\_\_, 2013 (the "Effective Date"), by and between the MILWAUKEE COUNTY DEPARTMENT OF PARKS, RECREATION AND CULTURE (the "County") and CREAM CITY SCOOTERS LLC (the "Vendor"), as represented by: Daniel Hernandez, (414) 745-3803. Referenced together, the County and the Vendor are the "Parties" to this Agreement.

**WITNESSETH:**

**WHEREAS**, in January 2013 the County issued a Request for Proposals ("RFP") to provide scooter rental concession services in one of the Milwaukee County Parks located on the Milwaukee Lakefront, and the Vendor submitted a written proposal response meeting all terms and conditions of the RFP process; and

**WHEREAS**, the Milwaukee County Board of Supervisors, by virtue of adopting Resolution \_\_\_\_ on \_\_\_\_, 2013, has authorized the Interim Director of the Department of Parks, Recreation and Culture ("DPRC") to enter into this agreement with the Vendor for and on behalf of Milwaukee County.

**NOW THEREFORE**, Vendor is hereby awarded a contract to provide the concession services per all terms and conditions in the RFP and as indicated in the Vendor's complete response thereto, which documents are both hereby incorporated by reference. Each party, for good and valuable consideration and the promises of County and Vendor set forth in this Agreement, agrees as follows:

**PROVISIONS:**

1. Operation of Concession:

1.1 General: Vendor is permitted to operate a concession for scooter rental services (the "Concession"). The Concession shall be operated in the area designated at McKinley Marina at 1750 North Lincoln Memorial Drive, Milwaukee (the "Premises"). Vendor is the sole owner of the structure operated on the Premises (the "Facility"). Vendor shall have the exclusive right to provide the above-indicated service in the Marina for the Term (as hereinafter defined). The Concession is a fair-weather operation. The times of operation shall be mutually agreed upon by the Parties and may be modified upon the written approval of the Parks Director. Vendor shall suspend operation of the Concession whenever the Marina is closed. For the purposes of this Agreement, "scooter" shall have the same meaning as "moped" as provided in Wis. Stat. § 240.01(29m), a Type 1 motorcycle that is incapable of speeds faster than thirty (30) miles per hour, and is equipped with an automatic transmission, an engine certified by the manufacturer at not more than fifty (50) cubic centimeters or an equivalent power unit, and a seat for the operator, which can be operated lawfully on public roads.

1.2 Operation of Scooters. Scooters may be operated on public roads only. VENDOR SHALL INSTRUCT ITS RENTORS NOT TO OPERATE SCOOTERS ON ANY PAVED PEDESTRIAN PATHWAY OR TURF. Vendor shall be responsible for any actual documented physical damage to park property caused by Vendor or its renters. If any such damage occurs, Vendor shall in coordination with County cause the site to be restored to a condition satisfactory to the Parks Director. Scooters are subject to all traffic laws just like any other motor vehicle. Vendor acknowledges that it is wholly responsible for confirming its renters are licensed drivers who are aware of the rules of the road as contained in Wis. Stat. Ch. 346.

1.3 Number of Scooters Available for Rent. No more than fifteen (15) scooters may be located on the Premises and offered for rent by Vendor without the written permission of the Parks Director.

1.4 Non-exclusive Food and Beverage Concession: Vendor shall further be permitted to sell bottled water, non-alcoholic beverages, and pre-packaged food items including chips, snacks, cookies, and ice cream as approved by the Parks Director or his designee. Vendor shall comply with all current Milwaukee County Parks practices, including compliance with agreements regarding Milwaukee County Parks's exclusive non-alcoholic beverage provider and prohibitions on the sale of gum and glass bottles. The County reserves the right to award a contract with one (1) or more additional vendors to provide food and beverage and/or other concessionable items in the Marina, subject to the exclusivity clause in Section 1.1.

1.5 Special Events: Any special events hosted by Vendor shall be governed by standard DPRC and Milwaukee County procedures.

2. Term: This Agreement shall commence on the Effective Date and expire on March 30, 2018 (the "Initial Term"). The Parties shall have two (2) options to extend the Term for one (1) additional consecutive year if mutually agreeable to both Parties (each such period, a "Renewal Term"). Such option may be exercised so long as Vendor first provides written notice to County of its desire to enter into a Renewal Term at least six (6) months' prior to the then-current Term expiration date. The Initial Term and any then-existing Renewal Term shall be referred to as the "Term" herein.
3. Payment: Vendor shall pay County Five Hundred Dollars (\$500) at the close of each June, July, August, and September during the Term. County shall invoice Vendor within fifteen (15) days at the close of the applicable month, and Vendor shall pay County within thirty (30) days of receipt of invoice. If, over the course of Vendor's Operating Year (as hereinafter defined), ten percent (10%) of Vendor's Gross Receipts (as hereinafter defined) (the "Gross Receipt Percentage") is greater than the total amount invoiced to Vendor for such Operating Year pursuant to this Section 3 (the "Flat Fee"), Vendor shall remit to County the difference between the Gross Receipt Percentage and the Flat Fee by April 1. "Gross Receipts" shall be defined as the total of all receipts (cash, checks, credit cards) derived from the sale of all merchandise associated with the Concession, less sales tax. Deductions for client non-payments or bad-debt expenses are not allowed. An "Operating Year" shall be that period from March 1 through the last day of February of each year of the Agreement; provided, however, that during the initial year of the Term, the Operating Year shall be from the Effective Date through March 1. Checks shall be made payable to the Milwaukee County Treasurer and mailed

or delivered to: Milwaukee County Parks Department, Milwaukee County Treasurer, 9480 Watertown Plank Rd., Wauwatosa, Wisconsin, 53226.

4. Sales Reports: Upon demand, Vendor agrees to compile and provide County with a detailed summary report of all sales activities, a financial reconciliation of all commissions owed and paid, and remit to County any additional amounts as may be required.
5. Utilities: Vendor shall be responsible for its own Utility hookups and monthly payments. "Utilities" shall include water and sewer, gas, electricity, and telephone.
6. Alterations and Improvements: In no event shall Vendor make any alterations or additions to the Facility or the Premises without the prior written consent of County. All development and landscaping shall be completed in a first-class manner and consistent with the standards established for other work in Milwaukee County Parks. Any and all alterations, additions and improvements shall be made in compliance with all statutes, laws, ordinances, rules, and regulations of any governmental authority having jurisdiction over the Premises. Vendor shall also indemnify and hold County harmless from and against all statutory liens or claims of liens of any contractor, subcontractor, laborer or any other party which may arise in connection with any alteration, addition or improvement to the Facility or the Premises undertaken by or on behalf of Vendor.
7. Parks Logo: Vendor is responsible for all marketing and advertising to promote its activities. Vendor shall acknowledge the Parks Department and include the Parks logo in all promotional materials, whether print or digital, directly related to its activities covered under this Agreement. All proposed banners, signage and advertising on or within the Premises, including such signage on temporary or portable structures, must be pre-approved in writing by the Parks Director.
8. Rights Reserved to County: County reserves the right to award a contract with one (1) or more additional vendors to provide other concessionable items in other areas of the Marina. County further reserves the right to operate its own concession area during any and all events held in its Parks.
9. Public Access: Vendor understands that the Concession is part of a public park, and the Premises are to remain open and accessible to the public in a manner that is compatible with the use of the Concession as contemplated by this Agreement.
10. Compliance with Laws: Vendor shall, at Vendor's expense, promptly comply with all laws, rules, and regulations made by any governmental authority having jurisdiction over Vendor's use of the Marina and the Concession, including all local health code requirements. Vendor shall obtain and pay for all necessary permits and licensing for the operation of the Concession, including, if applicable, permits and licensing for a food and beverage concession in the City of Milwaukee.
11. Taxes: Vendor shall pay all taxes of whatever character which may be levied or charged upon Vendor to use the Premises or own the Facility, or upon the improvements, fixtures, equipment or other property, or upon the Concession operations under the Agreement.
12. County Approval of Items to be Rented or Sold: Vendor shall provide County with a list and pricing information for the products it intends to rent or sell to the public for

approval. The Parks Director maintains the right to prohibit the sale or rental of any item that he/she deems to be inappropriate or otherwise within the Milwaukee County Parks System.

13. Cleanliness; Garbage: Vendor is responsible for maintaining the Premises and surrounding areas, at least twenty-five (25) feet beyond the Concession, in a state of cleanliness and repair to prevent injury to the public. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful hazard, nor any material detrimental to the public health, shall be permitted to remain on the Premises, and Vendor shall prevent any such matter or material from being or accumulating on the Premises. Vendor, at its expense, shall see that all garbage or refuse is collected as often as necessary and in no case less than once a day and disposed of in the County receptacles. Vendor will incur the cost of all excessive garbage pick-up from the Concession during the Term.
14. Safety: Vendor shall instruct customers and staff on the operation and safety rules/standards for all rental equipment. Vendor shall require all customers to sign a statement indicating that they are familiar with the operation and safety rules/standards for such equipment along with a liability waiver in favor of County. Vendor shall require customers to use applicable safety equipment such as helmets.
15. Maintenance of Facility and Equipment: Vendor shall equip the Concession with all equipment necessary to conduct business such as all rental equipment, and all safety equipment including helmets. Vendor shall, at all times and at its own expense, keep and maintain the Facility and all equipment, whether owned and/or installed by Vendor or the County, such as, but not limited to, all of the fixtures, equipment and personal property in the Facility, in good repair and in a clean, sanitary and orderly condition and appearance. No equipment provided by County shall be removed or replaced by Vendor without the prior written consent of the Parks Director, and if consent is secured, removal and/or replacement shall be at Vendor's expense.
16. Removal of Facility, Equipment and Supplies: Upon expiration or termination of this Agreement for any reason or no reason, Vendor shall remove, at its costs, the Facility and all of its supplies, displays, and related items from the Premises within three (3) days of the expiration or termination date, and shall restore the Premises to its prior condition, satisfactory to the Parks Director.
17. Staff: Vendor shall maintain customer service as a top priority. Vendor shall employ a sufficient number of qualified staff to properly operate the Concession. Vendor shall provide employees who are professional, friendly, and courteous to customers and the general public. Employees shall maintain a neat appearance, exercise good public relations skills, respond to customer complaints and questions, and conduct themselves in a high standard acceptable to County. Vendor and staff shall wear appropriate attire which, in the sole determination of County, clearly distinguishes Concession staff from Milwaukee County Parks staff.
18. Nondiscrimination, Affirmative Action and DBE Goals:

20.1 Generally: There shall be no discrimination against or segregation of any person, or group of persons, on account of gender, age, race, color, religion, creed, national origin or ancestry in the use of the Premises or the Concession, and Vendor (or

any person claiming under or through Vendor) shall not establish or permit any such practice or practices of discrimination or segregation with reference to the Premises or the Concession.

20.2 Non-Discrimination: Vendor certifies that it will not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex or handicap which includes, but is not limited to, the following: employment, upgrading, demotion or transfer, recruitment, or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor will post in conspicuous places, available for employment, notices setting forth the provisions of the non-discriminatory clause. Attached hereto as Exhibit A is an Equal Opportunity Certificate that shall be executed and delivered by Vendor simultaneously with the execution and delivery of the Agreement.

20.3 Affirmative Action Program: Vendor certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Vendor also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.

20.4 Affirmative Action Plan: Vendor certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.

20.5 Non-Segregated Facilities: Vendor certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained.

20.6 Reporting Requirement: When applicable, Vendor certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.

20.7 Compliance: Vendor certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.

20.8 Disadvantaged Business Enterprise Goals: Vendor shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of seventeen percent (17%) for professional service contracts, and to use good faith efforts to achieve those goals. The Milwaukee County Community Business Development Partners shall assist Vendor in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Vendor's contact regarding DBE participation is: Director, Nelson Soler, at (414) 289-4608.

19. Site Restoration: Both Vendor and County shall together participate in a pre-season and post-season inspection of the Premises. Vendor shall be responsible for any actual documented physical damage to the Premises caused by Vendor, its employees, agents, representatives, and guests. Within five (5) days of the discovery of any such damage, the Premises shall be restored to the satisfaction of the Parks Director.
20. Security: Unarmed security personnel are permitted within the Premises for the purposes of checking identification and general observation. Vendor shall be solely responsible for and assume all risks related to the security and protection of the Premises and any equipment and for the prevention of unauthorized access to the Premises. Vendor expressly acknowledges that any security measures deemed necessary or desirable for protection of the Facility shall be the sole responsibility of Vendor at no cost to County. Vendor shall notify County of any incident resulting in loss or damage to the Premises or breach of security whether or not such incident is reported to the Milwaukee County Sheriff's Office.
21. Inspection by County: County shall at all reasonable times have the right to enter the Premises and the Facility to inspect the condition thereof, and to improve or repair the Premises, and to make such repairs, alterations, improvements or additions as County may deem necessary or desirable; provided, however, such entry shall be done in such a manner that it does not unreasonably interfere with the conduct of Vendor's use of the Premises.
22. Interest: Unless waived by County Board of Supervisors, Vendor shall be responsible for payment of interest on amounts not remitted in accordance with this Agreement. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (one-percent (1%) per month or fraction of a month) as described in Wisconsin statutes section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.
- 22.1 Penalty: In addition to the interest described above, Vendor may be responsible for payment of penalty on amounts not remitted in accordance with this Agreement, as may be determined by County. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County ordinance section 6.06(1) and Wisconsin statutes section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.
- 22.2 Audit Results: If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Vendor shall remit to the County any additional amounts identified due and owing for the audit including interest and penalty thereon within thirty (30) days following receipt of the audit report by the County.
- 22.3 Nonexclusivity: This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Vendor's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under this Agreement, including but not limited to termination of this Agreement.

23. Audit: Pursuant to Milwaukee County ordinance section 56.30(6)(e), Vendor shall allow the County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Vendor, including not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. Any subcontracting by Vendor in performing the duties described under this Agreement shall subject the subcontractor and/or associates to the same audit terms and conditions as the Vendor. Vendor (or any subcontractor) shall maintain and make available to County the aforementioned audit information for no less than three years after the conclusion of this Agreement.
24. Insurance: Vendor shall acquire and maintain the established insurance and liability limits for the Concession. Such evidence shall include insurance coverage in the following minimum amounts:

A waiver of subrogation for Workers Compensation by endorsement in favor of Milwaukee County shall be provided. Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable.

A certificate indicating the above coverages shall be submitted by Vendor for the County's review and approval for each successive period of coverage for the duration of this Agreement.

Coverages shall be placed with an insurance company approved to do business in the State of Wisconsin and rated "A" per Best's Key Rating Guide. The insurance requirements contained within this Agreement are subject to periodic review and reasonable adjustment by the County Risk Manager consistent with similarly situated properties within the properties owned by the County.

25. Indemnification: To the fullest extent permitted by law, Vendor shall indemnify the County for, and hold it harmless from all liability, claims and demands on account of personal injuries, property damage and loss of any kind whatsoever, including workers' compensation claims, which arise out of or are in any manner connected to the Premises, based on any injury, damage or loss being caused by any wrongful, intentional, or negligent acts or omissions of the Vendor, its agents, or employees. Vendor shall, at its own expense, investigate all claims and demands, attend to their settlement or disposition, defend all actions based thereon and pay all charges of attorneys and other costs and expenses arising from any such injury, damage or loss, claim, demand or action.
- 25.1 Environmental Indemnification: Vendor shall, to the fullest extent provided for under any environmental laws, rules and regulations, be responsible for any required repair, cleanup, remediation or detoxification arising out of any Hazardous Materials brought onto or introduced into the Premises or surrounding areas by Vendor, or its agents. Vendor hereby agrees to indemnify, defend and hold County harmless from and against any and all liabilities, costs, expenses (including attorney fees), damages (including but not limited to clean-up, remediation or detoxification of) or any other losses caused by its introduction of any such Hazardous Materials into or onto the Premises and any Hazardous Materials brought onto or introduced into the Premises as described below.

26. Assignment and Subletting: Vendor may not assign this Agreement, in whole or in part, or sublease any part of the Premises without the prior written approval of the Parks Director.
27. Default:
- 27.1 Definition: A "Default" will occur under this Agreement if: (a) A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default; or (b) Vendor ceases to do business as a going concern, ceases to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Vendor's assets or Vendor's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or Vendor becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.
- 27.2 Remedies: If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in

addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party's remedies shall include:

- 27.3 Termination of Rights: The non-defaulting party may terminate this Agreement by sixty (60) days prior written notice of termination of this Agreement to the defaulting party or by any other lawful means, in which case this Agreement and the Term shall terminate, and Vendor shall vacate the Premises on the termination date. Should County so choose, if Vendor is the defaulting party, Vendor shall cooperate in continuing to staff the Concession during a transition period as County seeks an alternate service provider. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Section 3 earned as of the date the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.
- 27.4 No Waiver: No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Section 3 during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Vendor, and no Default, shall be modified, except by a written instrument executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.
- 27.5 Survival: No expiration or termination of this Agreement and no entry into or onto the Premises by County after such expiration or termination shall relieve Vendor of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.
28. Independent Contractor: Nothing contained in this Agreement shall constitute or be construed to create a partnership or joint venture between County or its successors or assigns and Vendor or its successors or assigns. This Agreement does not create the relationship of principal and agent.
29. Notices: All notices with respect to this Agreement shall be in writing. Except as otherwise expressly provided in this Agreement, a notice shall be deemed duly given and received upon delivery, if delivered by hand or after posting via US Mail, to the party addressed as follows:

The Parks Director maintains the right to prohibit the sale or rental of any item that he/she deems to be inappropriate or otherwise within the Milwaukee County Parks System.
11. Cleanliness; Garbage: Vendor is responsible for maintaining the Premises and surrounding areas, at least twenty-five (25) feet beyond the Concession, in a state of cleanliness and repair to prevent injury to the public. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful hazard, nor any material detrimental to the public health, shall be permitted to remain on the Premises, and Vendor shall prevent any such matter or material from being or accumulating on the Premises. Vendor, at its expense, shall see that all garbage or refuse is collected as often as necessary and in no case less than once a day and disposed of in the County receptacles. Vendor will incur the cost of all excessive garbage pick-up from the Concession during the Term.

Employees shall maintain a neat appearance, exercise good public relations skills, respond to customer complaints and questions, and conduct themselves in a high standard acceptable to County. Vendor and staff shall wear appropriate attire which, in the sole determination of County, clearly distinguishes Concession staff from County and Milwaukee County Parks staff.
16. Nondiscrimination, Affirmative Action and DBE Goals:
  - 16.1 Generally: There shall be no discrimination against or segregation of any person, or group of persons, on account of gender, age, race, color, religion, creed, national origin or ancestry in the use of the Premises or the Concession, and Vendor (or any person claiming under or through Vendor) shall not establish or permit any such practice or practices of discrimination or segregation with reference to the Premises or the Concession.
  - 16.2 Non-Discrimination: Vendor certifies that it will not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex or handicap which includes, but is not limited to, the following: employment, upgrading, demotion or transfer, recruitment, or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor will post in conspicuous places, available for employment, notices setting forth the provisions of the non-discriminatory clause. Attached hereto as Exhibit A is an Equal Opportunity Certificate that shall be executed and delivered by Vendor simultaneously with the execution and delivery of the Agreement.
  - 16.3 Affirmative Action Program: Vendor certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Vendor also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.
  - 16.4 Affirmative Action Plan: Vendor certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.
  - 16.5 Non-Segregated Facilities: Vendor certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its

employees to perform their services at any location under its control where segregated facilities are maintained.

- 16.6 Reporting Requirement: When applicable, Vendor certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.
- 16.7 Compliance: Vendor certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.
- 16.8 Disadvantaged Business Enterprise Goals: Vendor shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of seventeen percent (17%) for professional services contracts, and to use good faith efforts to achieve those goals. The Milwaukee County Community Business Development Partners shall assist Vendor in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Vendor's contact regarding DBE participation is: Director Nelson Soler, at (414) 289-4608.
17. Site Restoration: Both Vendor and County shall together participate in a pre-season and post-season inspection of the Premises. Vendor shall be responsible for any actual documented physical damage to the Premises caused by Vendor, its employees, agents, representatives, and guests. Within five (5) days of the discovery of any such damage, the Premises shall be restored to the satisfaction of the Parks Director.
18. Security: Unarmed security personnel are permitted within the Premises for the purposes of checking identification and general observation. Vendor shall be solely responsible for and assume all risks related to the security and protection of the Premises and any equipment and for the prevention of unauthorized access to the Premises. Vendor expressly acknowledges that any security measures deemed necessary or desirable for protection of the Facility shall be the sole responsibility of Vendor at no cost to County. Vendor shall notify County of any incident resulting in loss or damage to the Premises or breach of security whether or not such incident is reported to the Milwaukee County Sheriff's Office.
19. Inspection by County: County shall at all reasonable times have the right to enter the Premises and the Facility to inspect the condition thereof, and to improve or repair the Premises, and to make such repairs, alterations, improvements or additions as County may deem necessary or desirable; provided, however, such entry shall be done in such a manner that it does not unreasonably interfere with the conduct of Vendor's use of the Premises.
20. Interest: Unless waived by County Board of Supervisors, Vendor shall be responsible for payment of interest on amounts not remitted in accordance with this Agreement. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (one-percent (1%) per month or fraction of a month) as described in Wisconsin statutes section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

- 20.1 Penalty: In addition to the interest described above, Vendor may be responsible for payment of penalty on amounts not remitted in accordance with this Agreement, as may be determined by County. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County ordinance section 6.06(1) and Wisconsin statutes section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.
- 20.2 Audit Results: If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Vendor shall remit to the County any additional amounts identified due and owing for the audit including interest and penalty thereon within thirty (30) days following receipt of the audit report by the County.
- 20.3 Nonexclusivity: This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Vendor's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under this Agreement, including but not limited to termination of this Agreement.
21. Audit: Pursuant to Milwaukee County ordinance section 56.30(6)(e), Vendor shall allow the County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Vendor, including not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. Any subcontracting by Vendor in performing the duties described under this Agreement shall subject the subcontractor and/or associates to the same audit terms and conditions as the Vendor. Vendor (or any subcontractor) shall maintain and make available to County the aforementioned audit information for no less than three years after the conclusion of this Agreement.
22. Insurance: Vendor shall acquire and maintain the established insurance and liability limits for the Concession. Such evidence shall include insurance coverage in the following minimum amounts:

Type of Coverage	Minimum Limits

Wisconsin Workers Compensation or Proof of All States Coverage	Statutory

Milwaukee County will be named as an additional insured for General Liability and be afforded a thirty (30)-day notice of cancellation or non-renewal. A waiver of subrogation for Workers Compensation by endorsement in favor of Milwaukee County shall be provided. Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable.

A certificate indicating the above coverages shall be submitted by Vendor for the County's review and approval for each successive period of coverage for the duration of this Agreement.

Coverages shall be placed with an insurance company approved to do business in the State of Wisconsin and rated "A" per Best's Key Rating Guide. The insurance requirements contained within this Agreement are subject to periodic review and reasonable adjustment by the County Risk Manager consistent with similarly situated properties within the properties owned by the County.

23. Indemnification: To the fullest extent permitted by law, Vendor shall indemnify the County for, and hold it harmless from, all liability, claims and demands on account of personal injuries, property damage and loss of any kind whatsoever, including workers' compensation claims, which arise out of or are in any manner connected to the Premises, based on any injury, damage or loss being caused by any wrongful, intentional, or negligent acts or omissions of the Vendor, its agents, or employees. Vendor shall, at its own expense, investigate all claims and demands, attend to their settlement or disposition, defend all actions based thereon and pay all charges of attorneys and other costs and expenses arising from any such injury, damage or loss, claim, demand or action.
  - 23.1 Environmental Indemnification: Vendor shall, to the fullest extent provided for under any environmental laws, rules and regulations, be responsible for any required repair, cleanup, remediation or detoxification arising out of any Hazardous Materials brought onto or introduced into the Premises or surrounding areas by Vendor, or its agents. Vendor hereby agrees to indemnify, defend and hold County harmless from and against any and all liabilities, costs, expenses (including attorney fees), damages (including but not limited to clean-up, remediation or detoxification of) or any other losses caused by its introduction of any such Hazardous Materials into or onto the Premises and any Hazardous Materials brought onto or introduced into the Premises as described below.

or local statute, regulation, ordinance, order, action or policy; or (ii) which is or becomes defined as a "hazardous waste" or "hazardous substance" under any Federal, State or local statute, regulation, ordinance, or amendments thereto.

24. Assignment and Subletting: Vendor may not assign this Agreement, in whole or in part, or sublease any part of the Premises without the prior written approval of the Parks Director.

25. Default:

25.1 Definition: A "Default" will occur under this Agreement if: (a) A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default; or (b) Vendor ceases to do business as a going concern, ceases to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Vendor's assets or Vendor's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or Vendor becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.

25.2 Remedies: If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party's remedies shall include:

25.3 Termination of Rights: The non-defaulting party may terminate this Agreement by sixty (60) days prior written notice of termination of this Agreement to the defaulting party or by any other lawful means, in which case this Agreement and the Term shall terminate, and Vendor shall vacate the Premises on the termination date. Should County so choose, if Vendor is the defaulting party, Vendor shall cooperate in continuing to staff the Concession during a transition period as County seeks an alternate service provider. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Section 5 earned as of the date the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.

25.4 No Waiver: No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Section 5 during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Vendor, and no Default, shall be modified, except by a written instrument

executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.

25.5 Survival: No expiration or termination of this Agreement and no entry into or onto the Premises by County after such expiration or termination shall relieve Vendor of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.

26. Independent Contractor: Nothing contained in this Agreement shall constitute or be construed to create a partnership or joint venture between County or its successors or assigns and Vendor or its successors or assigns. This Agreement does not create the relationship of principal and agent.

27. Notices: All notices with respect to this Agreement shall be in writing. Except as otherwise expressly provided in this Agreement, a notice shall be deemed duly given and received upon delivery, if delivered by hand or after posting via US Mail, to the party addressed as follows:

The Interim Director of the Department of Parks, Recreation and Culture (DPRC) is seeking authorization to submit one or more Federal Congestion Mitigation and Air Quality Improvement Program (CMAQ) grant applications.

### **BACKGROUND**

The CMAQ Program is designed to provide funding for transportation-related projects that improve air quality and reduce traffic congestion in counties classified as air quality non-attainment areas for the federal criteria pollutant ozone. CMAQ projects generally fall into one of three broad categories:

- Projects that reduce emissions through improved vehicle and fuel technologies
- Projects that reduce emissions by improving traffic congestion
- Projects that reduce the number of vehicle trips and/or vehicle miles traveled (i.e., bike trail projects – new construction)

Examples of typical projects include efforts to enhance public transit, to construct bicycle/pedestrian facilities, to establish ridesharing programs and facilities, and to employ technologies that improve traffic flow and vehicle emissions. The DPRC has obtained and implemented a number of CMAQ grants for bike trail projects since the program's inception in the early 1990s, and those grants have enabled the DPRC to make steady progress in its efforts to expand and enhance the Oak Leaf Trail, one of the DPRC's most popular facilities.

CMAQ is authorized and funded under the federal Moving Ahead for Progress in the 21<sup>st</sup> Century (MAP-21), the federal transportation act that was signed into law on July 6, 2012. It is administered by the Wisconsin Department of Transportation with funds being made available through a competitive application process open to the eleven county non-attainment and maintenance area in southeastern and northeastern Wisconsin. CMAQ is a reimbursement program and funds are awarded on an 80:20 federal:local cost-share basis. The application deadline is June 14, 2013.

## **RECOMMENDATION**

The Interim Parks Director respectfully recommends that the DPRC be authorized to apply for one or more CMAQ grants, and to undertake all actions and activities necessary to accept and implement CMAQ grant awards offered to Milwaukee County.

**County of Milwaukee  
Interoffice Communication**

Date: April 30, 2013

To: Supervisor Gerry Broderick, Chair, Parks Energy and Environment Committee

From: Josh Fudge, Interim Fiscal and Budget Administrator, Department of Administrative Services

Subject: Due Diligence Report for an agreement with The Carol Company, INC d/b/a Milwaukee Bike and Skate Rental and Milwaukee Lakefront Segway to provide Segway and bicycle rental concession services at Veterans Park

**Request**

The Department of Parks, Recreation, and Culture (Parks) requests approval to enter into a five (5) year agreement with The Carol Company (Carol) to provide Segway and bicycle rental concession services at Veterans Park.

**Background**

In January 2013, Parks issued Requests for Proposals (RFP) for Segway and bicycle rental services at Veterans Parks. Carol was selected as the successful bidder to continue providing concession services. Parks has received an average of \$25,335 in annual commission from the combined concessions since 2008<sup>1</sup>.

**Review & Analysis**

The Department of Administration - Fiscal Affairs (DAS), Corporation Counsel, Risk Management, and Community Business Development Partners have reviewed the draft proposal with Carol.

Carol would be permitted to operate a concession for the rental of Segways, bicycles, skates, and related products at the County-owned building on the end of Lagoon Drive in Veterans Park. The concession shall be open daily from 10:00 a.m. to 7:00 p.m., weather permitting.

The term of the proposed agreement is five (5) years with two one (1) year mutual options for an extended term. The agreement begins on the execution date and the original term expires on March 30, 2018. If the mutual options are exercised, the agreement will expire on March 30, 2020. The agreement may be terminated by either party for cause if a failure to comply with any provision of the agreement is not cured in a timely manner. Upon expiration or termination of the agreement, Carol shall remove all of its supplies, displays and related items within three (3) days.

---

<sup>1</sup> Based on data from the Milwaukee County Fiscal Intranet for actual revenues (Functional Code VW26, Activity Code KWYL, Revenue Source 9046, Agency 900, Fund 001)

Per terms of the proposed agreement, the County will receive 23% of gross receipts for Segway and bicycle/skate rentals, with a guaranteed annual minimum of \$31,000. The previous agreement with Carol (in effect from 2008 to 2012) provided that the County would receive 17% of gross receipts with no annual minimum. The chart below shows the actual amount of revenue received from the concession and the projected amount of revenue based on the terms of the proposed agreement. An annual 1% increase in gross receipts is assumed for future years.

<u>Year</u>	<u>Revenue</u>
2008 - Actual	\$ 23,568
2009 - Actual	\$ 23,397
2010 - Actual	\$ 25,322
2011 - Actual	\$ 27,468
2012 - Actual	\$ 26,920
2013 - Projected	\$ 36,786
2014 - Projected	\$ 37,153
2015 - Projected	\$ 37,525
2016 - Projected	\$ 37,900
2017 - Projected	\$ 38,279

**Recommendation**

Upon review of the available information, and changes made to the agreement based on consultation with Corporation Counsel, Risk Management, Parks, and CBDP staff, DAS recommends approval of the vendor permit agreement.

Subject: **Request to Enter into a Vendor Permit Agreement for Segway and Bicycle Rental Concession Services at the Lakefront – ACTION**

### POLICY

The Department of Parks, Recreation and Culture (DPRC) respectfully requests authorization to enter into a vendor permit agreement for Segway and bicycle rental concessions at the Lakefront.

### BACKGROUND

In January 2013, the DPRC issued a number of Requests for Proposals (RFP) to provide various concession services in the Milwaukee County Parks located on the lakefront. The Carol Company, Inc. responded to both the Segway and bicycle rental RFPs and, meeting all terms and conditions of the process, was awarded the opportunities. The Carol Company has been a long-standing partner with the DPRC renting Segways, bicycles, surreys, skates, and other related products. The vendor is also permitted to sell non-alcoholic beverages and pre-packaged snack items.

The term of this agreement is five (5) years with two (2) options to extend the term for one (1) additional consecutive year. The vendor has agreed to pay the County \$155,000 for the first five (5) years and \$31,000 in year six (6) and \$31,000 in year seven (7), if renewed. In addition, there is a percentage profit-sharing agreement if gross receipts exceed established amounts.

The Carol Company will reimburse the County for utility costs in the amount of \$500 per operating year.

The concession is a fair-weather operation scheduled to be open daily from 10:00 a.m. – 7:00 p.m.

#### **RECOMMENDATION**

The Interim Parks Director respectfully recommends that the DPRC be authorized to enter into a vendor permit agreement with The Carol Company, Inc. for Segway and bicycle rental concession services at the lakefront.

**BETWEEN**  
**MILWAUKEE COUNTY DEPARTMENT OF PARKS, RECREATION AND CULTURE**  
**AND**  
**THE CAROL COMPANY, INC.**

This Vendor Permit Agreement (the "Agreement") is made and entered into effective \_\_\_\_\_, 2013 (the "Effective Date"), by and between the MILWAUKEE COUNTY DEPARTMENT OF PARKS, RECREATION AND CULTURE (the "County") and THE CAROL COMPANY, INC., d/b/a MILWAUKEE BIKE & SKATE RENTAL and MILWAUKEE LAKEFRONT SEGWAY (the "Vendor"), as represented by: Carol French, (262) 510-3439. Referenced together, the County and the Vendor are the "Parties" to this Agreement.

**WITNESSETH:**

**WHEREAS**, in January 2013 the County issued a number of Requests for Proposals ("RFPs") to provide various concession services in the Milwaukee County Parks located on the Milwaukee Lakefront, including an RFP for Segway rental concession services and an RFP for bicycle rental concession services, and the Vendor submitted written proposal responses to the Segway and bicycle rental RFPs meeting all terms and conditions of the RFP process; and

**WHEREAS**, the Milwaukee County Board of Supervisors, by virtue of adopting Resolution \_\_\_\_ on \_\_\_\_, 2013, has authorized the Interim Director of the Department of Parks, Recreation and Culture ("DPRC") to enter into this agreement with the Vendor for and on behalf of Milwaukee County.

**NOW THEREFORE**, Vendor is hereby awarded a contract to provide the concession services per all terms and conditions in the RFPs and as indicated in the Vendor's complete responses thereto, which documents are hereby incorporated by reference. Each party, for good and valuable consideration and the promises of County and Vendor set forth in this Agreement, agrees as follows:

**PROVISIONS:**

1. Operation of Concession:

1.1 General: Vendor is permitted to operate a concession for the rental of Segways, bicycles, surreys, skates, and related products (the "Concession"). The Concession shall be operated in the County-owned building (the "Facility") at the end of Lagoon Drive at Veterans Park in Milwaukee, Wisconsin (the "Premises"). Vendor shall have the exclusive right to provide the above-indicated service in the Park for the Term (as hereinafter defined). The Concession is a fair-weather operation scheduled to be open daily from 10:00 a.m. to 7:00 p.m. local time, weather permitting. The times of operation may be modified upon the written approval of the Parks Director. Vendor shall suspend operation of the Concession whenever the Park is closed.

1.2 Non-exclusive Food and Beverage Concession: Vendor shall further be permitted to sell bottled water, non-alcoholic beverages, and pre-packaged food items

including chips, snacks, cookies, nachos, candy, and ice cream as approved by the Parks Director or his designee. Vendor shall comply with all current Milwaukee County Parks practices, including compliance with agreements regarding Milwaukee County Parks's exclusive non-alcoholic beverage provider and prohibitions on the sale of gum and glass bottles. The County reserves the right to award a contract with one (1) or more additional vendors to provide food and beverage and/or other concessionable items in the Park, subject to the exclusivity clause in Section 1.1.

1.3 Special Events: Any special events hosted by Vendor shall be governed by standard DPRC and Milwaukee County procedures.

1.4 Prerequisites: This Agreement and the obligations of County and Vendor hereunder are contingent upon Vendor successfully meeting the Milwaukee County "Due Diligence" requirements in a timely manner (see attached, as Exhibit A).

2. Term: This Agreement shall commence on the Effective Date and expire on March 30, 2018 (the "Initial Term"). The Parties shall have two (2) options to extend the Term for one (1) additional consecutive year if mutually agreeable to both Parties (each such period, a "Renewal Term"). Such option may be exercised so long as Vendor first provides written notice to County of its desire to enter into a Renewal Term at least six (6) months' prior to the then-current Term expiration date. The Initial Term and any then-existing Renewal Term shall be referred to as the "Term" herein.
3. Payment: Vendor shall pay County Seven Thousand Seven Hundred Fifty Dollars (\$7750) at the close of each June, July, August, and September during the Term. County shall invoice Vendor for the above-referenced fee within fifteen (15) days at the close of the applicable month, and Vendor shall pay County within thirty (30) days of receipt of invoice. If, over the course of Vendor's Operating Year (as hereinafter defined), twenty-three-percent (23%) of Vendor's Gross Receipts (as hereinafter defined) (the "Gross Receipt Percentage") for Segway rentals is greater than the Nine Thousand Dollars (\$9000), Vendor shall remit to County the difference between the Gross Receipt Percentage and Nine Thousand Dollars (\$9000) by April 1. Likewise, if, over the course of Vendor's Operating Year, the Gross Receipt Percentage for all rentals and sales other than Segway rentals is greater than Twenty-Two Thousand Dollars (\$22,000), Vendor shall remit to County the difference between the Gross Receipt Percentage and Twenty-Two Thousand Dollars (\$22,000) by April 1. "Gross Receipts" shall be defined as the total of all receipts (cash, checks, credit cards) derived from the rental or sale of all merchandise associated with the Concession, less sales tax. Deductions for client non-payments or bad-debt expenses are not allowed. An "Operating Year" shall be that period from March 1 through the last day of February of each year of the Agreement; provided, however, that during the initial year of the Agreement, the Operating Year shall be from the Effective Date through March 1. Checks shall be made payable to the Milwaukee County Treasurer and mailed or delivered to: Milwaukee County Parks Department, Milwaukee County Treasurer, 9480 Watertown Plank Rd., Wauwatosa, Wisconsin, 53226.
4. Utilities: Vendor shall pay to the County the monthly sum of One Hundred Dollars (\$100.00) toward the cost of Utilities for each of the five (5) months in which the Concession is operational. "Utilities" shall include electricity. Payment shall be due within fifteen (15) days of the end of each month.

5. Sales Reports: Upon demand, Vendor agrees to compile and provide County with a detailed summary report of all sales activities, a financial reconciliation of all commissions owed and paid, and remit to County any additional amounts as may be required.
6. Alterations and Improvements: Vendor shall make no changes or improvements to the Facility or the Premises without the written permission of Milwaukee County. Any changes or improvements to the Facility or the Premises approved by Milwaukee County shall be performed at Vendor's sole expense.
7. Parks Logo: Vendor is responsible for all marketing and advertising to promote its activities. Vendor shall acknowledge the Parks Department and include the Parks logo in all promotional materials, whether print or digital, directly related to its activities covered under this Agreement. All proposed banners, signage and advertising on or within the Premises, including signage on temporary or portable structures, must be pre-approved in writing by the Parks Director.
8. Rights Reserved to County: County reserves the right to award a contract with one (1) or more additional vendors to provide other concessionable items in other areas of the Park. County further reserves the right to operate its own concession area during any and all events held in its Parks.
9. Public Access: Vendor understands that the Concession is part of a public park, and the Premises are to remain open and accessible to the public in a manner that is compatible with the use of the Concession as contemplated by this Agreement.
10. Compliance with Laws: Vendor shall, at Vendor's expense, promptly comply with all laws, rules, and regulations made by any governmental authority having jurisdiction over Vendor's use of the Park and the Concession, including all local health code requirements. Vendor shall obtain and pay for all necessary permits and licensing for the operation of the Concession, including, if applicable, permits and licensing for a food and beverage concession in the City of Milwaukee.
11. Taxes: Vendor shall pay all taxes of whatever character which may be levied or charged upon Vendor to use the Premises, or upon the improvements, fixtures, equipment or other property, or upon the Concession operations under the Agreement.
12. County Approval of Items to be Rented or Sold: Vendor shall provide County with a list and pricing information for the products it intends to rent or sell to the public for approval. The Parks Director maintains the right to prohibit the sale or rental of any item that he/she deems to be inappropriate or otherwise within the Milwaukee County Parks System.
13. Cleanliness; Garbage: Vendor is responsible for maintaining the Premises and surrounding areas, at least twenty-five (25) feet beyond the Concession, in a state of cleanliness and repair to prevent injury to the public. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful hazard, nor any material detrimental to the public health, shall be permitted to remain on the Premises, and Vendor shall prevent any such matter or material from being or accumulating on the Premises. Vendor, at its expense, shall see that all garbage or refuse is collected as often as necessary and in no case less than once a day and disposed of in the County

receptacles. Vendor will incur the cost of all excessive garbage pick-up from the Concession during the Term.

14. Safety: Vendor shall instruct customers and staff on the operation and safety rules/standards for all rental equipment. Vendor shall require all customers to sign a statement indicating that they are familiar with the operation and safety rules/standards for such equipment along with a liability waiver in favor of County. Vendor shall require customers to use applicable safety equipment such as helmets.
15. Maintenance of Facility and Equipment: Vendor shall equip the Concession with all equipment necessary to conduct business such as storage racks, all rental equipment, and all safety equipment including helmets. Vendor shall, at all times and at its own expense, keep and maintain the Facility and all equipment, whether owned and/or installed by Vendor or the County, such as, but not limited to, all of the fixtures, equipment and personal property in the Facility, in good repair and in a clean, sanitary and orderly condition and appearance. No equipment provided by County shall be removed or replaced by Vendor without the prior written consent of the Parks Director, and if consent is secured, removal and/or replacement shall be at Vendor's expense.
16. Removal of Equipment and Supplies: Upon expiration or termination of this Agreement for any reason, Vendor shall remove, at its expense, all of its supplies, displays, and related items from the Premises within three (3) days of the expiration or termination date, and shall restore the Premises to its prior condition, satisfactory to the Parks Director.
17. Staff: Vendor shall maintain customer service as a top priority. Vendor shall employ a sufficient number of qualified staff to properly operate the Concession. Vendor shall provide employees who are professional, friendly, and courteous to customers and the general public. Employees shall maintain a neat appearance, exercise good public relations skills, respond to customer complaints and questions, and conduct themselves in a high standard acceptable to County. Vendor and staff shall wear appropriate attire which, in the sole determination of County, clearly distinguishes Concession staff from Milwaukee County Parks staff. All personnel operating as Segway "tour guides" must be trained by the manufacturer prior to their service as guides. Upon request, Vendor will provide the County with written evidence from the manufacturer indicating that such individuals have received the appropriate training prior to their service as guides.
18. Nondiscrimination, Affirmative Action and DBE Goals:

20.1 Generally: There shall be no discrimination against or segregation of any person, or group of persons, on account of gender, age, race, color, religion, creed, national origin or ancestry in the use of the Premises or the Concession, and Vendor (or any person claiming under or through Vendor) shall not establish or permit any such practice or practices of discrimination or segregation with reference to the Premises or the Concession.

20.2 Non-Discrimination: Vendor certifies that it will not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex or handicap which includes, but is not limited to, the following: employment, upgrading, demotion or transfer, recruitment, or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor will post in conspicuous places, available for employment, notices setting forth

the provisions of the non-discriminatory clause. Attached hereto as Exhibit B is an Equal Opportunity Certificate that shall be executed and delivered by Vendor simultaneously with the execution and delivery of the Agreement.

20.3 Affirmative Action Program: Vendor certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Vendor also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.

20.4 Affirmative Action Plan: Vendor certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.

20.5 Non-Segregated Facilities: Vendor certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained.

20.6 Reporting Requirement: When applicable, Vendor certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.

20.7 Compliance: Vendor certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.

20.8 Disadvantaged Business Enterprise Goals: Vendor shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of seventeen percent (17%) for professional services contracts. The Milwaukee County Community Business Development Partners shall assist Vendor in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Vendor's contact regarding DBE participation is: Interim Director, Nelson Soler, at (414) 289-4608.

19. Site Restoration: Both Vendor and County shall together participate in a pre-season and post-season inspection of the Premises. Vendor shall be responsible for any actual documented physical damage to the Premises caused by Vendor, its employees, agents, representatives, and guests. Within five (5) days of the discovery of any such damage, the Premises shall be restored to the satisfaction of the Parks Director.
20. Security: Unarmed security personnel are permitted within the Premises for the purposes of checking identification and general observation. Vendor shall be solely responsible for and assume all risks related to the security and protection of the Premises and any equipment and for the prevention of unauthorized access to the Premises. Vendor shall

notify County of any incident resulting in loss or damage to the Premises or breach of security whether or not such incident is reported to the Milwaukee County Sheriff's Office.

21. Inspection by County: County shall at all reasonable times have the right to enter the Premises and the Facility to inspect the condition thereof, and to improve or repair the Premises, and to make such repairs, alterations, improvements or additions as County may deem necessary or desirable; provided, however, such entry shall be done in such a manner that it does not unreasonably interfere with the conduct of Vendor's use of the Premises.
22. Interest: Unless waived by County Board of Supervisors, Vendor shall be responsible for payment of interest on amounts not remitted in accordance with this Agreement. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (one-percent (1%) per month or fraction of a month) as described in Wisconsin statutes section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

24.1 Penalty: In addition to the interest described above, Vendor may be responsible for payment of penalty on amounts not remitted in accordance with this Agreement, as may be determined by County. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County ordinance section 6.06(1) and Wisconsin statutes section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

24.2 Audit Results: If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Vendor shall remit to the County any additional amounts identified due and owing for the audit including interest and penalty thereon within thirty (30) days following receipt of the audit report by the County.

24.3 Nonexclusivity: This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Vendor's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under this Agreement, including but not limited to termination of this Agreement.

23. Audit: Pursuant to Milwaukee County ordinance section 56.30(6)(e), Vendor shall allow the County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Vendor, including not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. Any subcontracting by Vendor in performing the duties described under this Agreement shall subject the subcontractor and/or associates to the same audit terms and conditions as the Vendor. Vendor (or any subcontractor)

shall maintain and make available to County the aforementioned audit information for no less than three years after the conclusion of this Agreement.

24. Insurance: Vendor shall acquire and maintain the established insurance and liability limits for the Concession. Such evidence shall include insurance coverage in the following minimum amounts:

Milwaukee County will be named as an additional insured for General Liability and Automobile Liability and be afforded a thirty (30)-day notice of cancellation or non-renewal. A waiver of subrogation for Workers Compensation by endorsement in favor of Milwaukee County shall be provided. Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable.

A certificate indicating the above coverages shall be submitted by Vendor for the County's review and approval for each successive period of coverage for the duration of this Agreement.

Coverages shall be placed with an insurance company approved to do business in the State of Wisconsin and rated "A" per Best's Key Rating Guide. The insurance requirements contained within this Agreement are subject to periodic review and reasonable adjustment by the County Risk Manager consistent with similarly situated properties within the properties owned by the County.

25. Indemnification: To the fullest extent permitted by law, Vendor shall indemnify the County for, and hold it harmless from, all liability, claims and demands on account of personal injuries, property damage and loss of any kind whatsoever, including workers' compensation claims, which arise out of or are in any manner connected to the Premises, based on any injury, damage or loss being caused by any wrongful, intentional, or negligent acts or omissions of the Vendor, its agents, or employees. Vendor shall, at its own expense, investigate all claims and demands, attend to their settlement or

disposition, defend all actions based thereon and pay all charges of attorneys and other costs and expenses arising from any such injury, damage or loss, claim, demand or action.

25.1 Environmental Indemnification: Vendor shall, to the fullest extent provided for under any environmental laws, rules and regulations, be responsible for any required repair, cleanup, remediation or detoxification arising out of any Hazardous Materials brought onto or introduced into the Premises or surrounding areas by Vendor, or its agents. Vendor hereby agrees to indemnify, defend and hold County harmless from and against any and all liabilities, costs, expenses (including attorney fees), damages (including but not limited to clean-up, remediation or detoxification of) or any other losses caused by its introduction of any such Hazardous Materials into or onto the Premises and any Hazardous Materials brought onto or introduced into the Premises as described below.

25.2 "Hazardous Materials" as the term is used herein shall mean any substance: (i) the presence of which requires investigation or remediation under any Federal, State or local statute, regulation, ordinance, order, action or policy; or (ii) which is or becomes defined as a "hazardous waste" or "hazardous substance" under any Federal, State or local statute, regulation, ordinance, or amendments thereto.

26. Assignment and Subletting: Vendor may not assign this Agreement, in whole or in part, or sublease any part of the Premises without the prior written approval of the Parks Director.

27. Default:

27.1 Definition: A "Default" will occur under this Agreement if: (a) A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default; or (b) Vendor ceases to do business as a going concern, ceases to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Vendor's assets or Vendor's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or Vendor becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.

27.2 Remedies: If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party's remedies shall include:

27.3 Termination of Rights: The non-defaulting party may terminate this Agreement by sixty (60) days prior written notice of termination of this Agreement to the defaulting party or by any other lawful means, in which case this Agreement and the Term shall terminate, and Vendor shall vacate the Premises on the termination

date. Should County so choose, if Vendor is the defaulting party, Vendor shall cooperate in continuing to staff the Concession during a transition period as County seeks an alternate service provider. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Section 3 earned as of the date the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.

27.4 No Waiver: No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Section 3 during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Vendor, and no Default, shall be modified, except by a written instrument executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.

27.5 Survival: No expiration or termination of this Agreement and no entry into or onto the Premises by County after such expiration or termination shall relieve Vendor of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.

28. Termination. The County may terminate the Agreement in the event that the Milwaukee County Board of Supervisors, via official action and resolution, effects to close the Facility in the Park or the Park during the Term. If County terminates the Agreement pursuant to this Section, County shall relocate the Concession to another Milwaukee County Parks location reasonably mutually acceptable to Vendor and County.

29. Independent Contractor: Nothing contained in this Agreement shall constitute or be construed to create a partnership or joint venture between County or its successors or assigns and Vendor or its successors or assigns. This Agreement does not create the relationship of principal and agent.

30. Notices: All notices with respect to this Agreement shall be in writing. Except as otherwise expressly provided in this Agreement, a notice shall be deemed duly given and received upon delivery, if delivered by hand or after posting via US Mail, to the party addressed as follows:

31. Integration; Order of Precedence: The parties understand and agree that the RFPs and Vendor's RFP Responses, including Vendor's Best and Final Offers, are incorporated into and made a part of this Agreement by this specific reference. To: Supervisor Gerry Broderick, Chair, Parks Energy and Environment Committee

From: Josh Fudge, Interim Fiscal and Budget Administrator, Department of Administrative Services

Subject: Due Diligence Report for a Vendor Permit Agreement with Gift of Wings, Inc. to provide kite sale concession services at Veterans Park

**Request**

The Department of Parks, Recreation, and Culture (Parks) requests approval to enter into a five (5) year agreement with Gift of Wings (GoW) to provide kite sale concession services at Veterans Park.

**Background**

In January 2013, Parks issued a Request for Proposals (RFP) for kite sale concession services at Veterans Park. GoW was selected as the successful bidder to continue operating the concession. A 2008 agreement with GoW expired on December 31, 2012. GoW is currently operating the concession on a month-to-month basis per the terms of the 2008 agreement. During the five-year term of the previous contract, Parks received an average of \$20,163 in annual revenue from the concession<sup>1</sup>.

**Review & Analysis**

The Department of Administration - Fiscal Affairs (DAS), Corporation Counsel, Risk Management, and Community Business Development Partners have reviewed the draft proposal with GoW.

GoW would be permitted to operate a concession for the sale of kites and related items at Veterans Park. GoW would also be permitted to sell bottled water, non-alcoholic beverages, and food items as approved by the Director of Parks.

The term of the proposed agreement is five (5) years with two one (1) year mutual options for an extended term. The agreement begins on the execution date and the original term expires on March 30, 2018. If the mutual options are exercised, the agreement will expire on March 30, 2020. The agreement may be terminated by either party for cause if a failure to comply with any provision of the agreement is not cured in a timely manner. Upon expiration or termination of the agreement, GoW shall remove all of its supplies, displays and related items within 30 days.

---

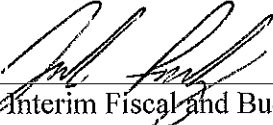

<sup>1</sup> Based on data from the Milwaukee County Fiscal Intranet for actual revenues (Functional Code VW26, Activity Code KWYL, Revenue Source 9046, Agency 900, Fund 001)

Per terms of the proposed agreement, the County will receive 15% of all gross receipts with a guaranteed annual minimum of \$19,000. The minimum commission to the County automatically increases 2% each year. The previous agreement with GoW (in effect from 2008 to 2012) provided that the County would receive 15% of gross receipts with an annual minimum of \$5,250. The chart below shows the actual amount of revenue received from the concession and the projected amount of revenue based on the terms of the proposed agreement. An annual 1% increase in gross receipts is assumed for future years.

<u>Year</u>	<u>Revenue</u>
2008 - Actual	\$ 20,044
2009 - Actual	\$ 19,935
2010 - Actual	\$ 18,657
2011 - Actual	\$ 20,371
2012 - Actual	\$ 21,810
2013 - Projected	\$ 22,028
2014 - Projected	\$ 22,248
2015 - Projected	\$ 22,470
2016 - Projected	\$ 22,695
2017 - Projected	\$ 22,922

**Recommendation**

Upon review of the available information, and changes made to the agreement based on consultation with Corporation Counsel, Risk Management, Parks, and CBDP staff, DAS recommends approval of the vendor permit agreement.

The vendor is also permitted to sell non-alcoholic beverages and various prepared and pre-packaged food items.

The term of this agreement is five (5) years with two (2) options to extend the term for one (1) additional consecutive year. The vendor has agreed to pay the

County \$98,876.75 over the first five (5) years and an additional \$20,977.50 in year six (6) and \$21,397.10 in year seven (7), if renewed. In addition, there is a percentage profit-sharing agreement if gross receipts exceed established amounts.

The DPRC will receive an in-kind contribution of up to \$4,000 of complimentary merchandise each contract year. Past in-kind contributions have included flags, banners, and marketing items for use by the DPRC.

Gift of Wings will reimburse the County for utility costs in the amount of \$1,500 per operating year.

The concession is a fair-weather operation, generally open from May 1 through September 30.

#### **RECOMMENDATION**

Vendor shall further be permitted to sell glow sticks, flying toys, and related items at any time within the Premises, including the Facility, temporary tents, and immediate surrounding areas. Such items may not be sold by Vendor outside the Premises, including from walking salespersons or pushcarts, without the specific approval of the Director or his designee.

1.4 Special Events: Any special events hosted by Vendor shall be governed by standard DPRC and Milwaukee County procedures.

1.5 Prerequisites: This Agreement and the obligations of County and Vendor hereunder are contingent upon Vendor successfully meeting the Milwaukee County "Due Diligence" requirements in a timely manner (see attached, as Exhibit B).

2. Term: This Agreement shall commence on the Effective Date and expire on March 30, 2018 (the "Initial Term"). The Parties shall have two (2) options to extend the Term for one (1) additional consecutive year if mutually agreeable to both Parties (each such period, a "Renewal Term"). Such option may be exercised so long as Vendor first provides written notice to County of its desire to enter into a Renewal Term at least six (6) months' prior to the then-current Term expiration date. The Initial Term and any then-existing Renewal Term shall be referred to as the "Term" herein.

3. Payment: Vendor shall pay County the following amounts at the close of each May, June, July, August, and September during the Term:

Year One	\$3800
Year Two	\$3876
Year Three	\$3953.52
Year Four	\$4032.59
Year Five	\$4113.24
Year Six (if renewed)	\$4195.50
Year Seven (if renewed)	\$4279.42

County shall invoice Vendor for the above-referenced amounts within fifteen (15) days at the close of the applicable month, and Vendor shall pay County within thirty (30) days of receipt of invoice. If, over the course of Vendor's Operating Year (as hereinafter defined), fifteen percent (15%) of Vendor's Gross Receipts (as hereinafter defined) (the "Gross Receipt Percentage") is greater than the total amount invoiced to Vendor for such Operating Year pursuant to this Section 3 (the "Flat Fee"), Vendor shall remit to County the difference between the Gross Receipt Percentage and the Flat Fee by April

1. "Gross Receipts" shall be defined as the total of all receipts (cash, checks, credit cards) derived from the sale of all merchandise associated with the Concession, less sales tax. Deductions for client non-payments or bad-debt expenses are not allowed. An "Operating Year" shall be that period from March 1 through the last day of February of each year of the Agreement; provided, however, that during the Initial Term, the Operating Year shall be from the Effective Date through March 1. Checks shall be made payable to the Milwaukee County Treasurer and mailed or delivered to: Milwaukee County Parks Department, Milwaukee County Treasurer, 9480 Watertown Plank Rd., Wauwatosa, Wisconsin, 53226.
4. In-Kind Contribution. Vendor shall provide County with an in-kind contribution of up to Four Thousand Dollars (\$4,000) of complimentary Vendor merchandise valued at Vendor list prices each Contract Year. "Contract Year" means the twelve (12) calendar months starting on the Effective Date and every subsequent twelve (12)-month period during the Term. If the Agreement is renewed for a second Renewal Term, the amount of the in-kind contribution shall be prorated to reflect that such Renewal Term is not a twelve (12)-month period. The in-kind contribution shall not be included in the Gross Receipts.
5. Utilities: Vendor shall pay to the County the monthly sum of Three Hundred Dollars (\$300) toward the cost of Utilities for each of the five (5) months in which the Concession is operational. "Utilities" shall include electricity and water and sewer. Payment shall be due within fifteen (15) days of the end of each month.
6. Sales Reports: Upon demand, Vendor agrees to compile and provide County with a detailed summary report of all sales activities, a financial reconciliation of all commissions owed and paid, and remit to County any additional amounts as may be required.
7. Alterations and Improvements: In no event shall Vendor make any additions to the Facility or the Premises without the prior written consent of County. All development and landscaping shall be completed in a first-class manner and consistent with the standards established for other work in Milwaukee County Parks. Any and all alterations, additions and improvements shall be made in compliance with all statutes, laws, ordinances, rules, and regulations of any governmental authority having jurisdiction over the Premises. Vendor shall also indemnify and hold County harmless from and against all statutory liens or claims of liens of any contractor, subcontractor, laborer or any other party which may arise in connection with any alteration, addition or improvement to the Facility or the Premises undertaken by or on behalf of Vendor.
8. Parks Logo: Vendor is responsible for all marketing and advertising to promote its activities. Vendor shall acknowledge the Parks Department and include the Parks logo in all promotional materials, whether print or digital, directly related to its activities covered under this Agreement. All proposed banners, signage and advertising on or within the Premises, temporary or portable structures, must be pre-approved in writing by the Parks Director.
9. Rights Reserved to County: County reserves the right to award a contract with one (1) or more additional vendors to provide other concessionable items in other areas of the Park. County further reserves the right to operate its own concession area during any and all events held in its Parks except as otherwise mutually agreed between the Parties.

10. Public Access: Vendor understands that the Concession is part of a public park, and the Premises are to remain open and accessible to the public in a manner that is compatible with the use of the Concession as contemplated by this Agreement.
11. Compliance with Laws: Vendor shall, at Vendor's expense, promptly comply with all laws, rules, and regulations made by any governmental authority having jurisdiction over Vendor's use of the Park and the Concession, including all local health code requirements. Vendor shall obtain and pay for all necessary permits and licensing for the operation of the Concession, including, if applicable, permits and licensing for a food and beverage concession in the City of Milwaukee.
12. Taxes: Vendor shall pay all taxes of whatever character which may be levied or charged upon Vendor to use the Premises or own the Facility, or upon the improvements, fixtures, equipment or other property, or upon the Concession operations under the Agreement.
13. County Approval of Items to be Sold: Vendor shall provide County with a list and pricing information for the products it intends to sell to the public for approval. The Parks Director maintains the right to prohibit the sale or rental of any item that he/she deems to be inappropriate or otherwise within the Milwaukee County Parks System.
14. Cleanliness; Garbage: Vendor is responsible for maintaining the Premises and surrounding areas, at least twenty-five (25) feet beyond the Concession, in a state of cleanliness and repair to prevent injury to the public. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful hazard, nor any material detrimental to the public health, shall be permitted to remain on the Premises, and Vendor shall prevent any such matter or material from being or accumulating on the Premises. Vendor, at its expense, shall see that all garbage or refuse is collected as often as necessary and in no case less than once a day and disposed of in the County receptacles. Vendor will incur the cost of all excessive garbage pick-up from the Concession during the Term.
15. Maintenance of Facility and Equipment: Vendor shall, at all times and at its own expense, keep and maintain the Facility and all equipment, whether owned and/or installed by Vendor or the County, such as, but not limited to, all of the fixtures, equipment and personal property in the Facility, in good repair and in a clean, sanitary and orderly condition and appearance. No equipment provided by County shall be removed or replaced by Vendor without the prior written consent of the Parks Director, and if consent is secured, removal and/or replacement shall be at Vendor's expense.
16. Removal of Facility, Equipment and Supplies: Upon expiration or termination of this Agreement for any reason or no reason, Vendor shall remove, at its costs, the Facility and all of its supplies, displays, and related items from the Premises within thirty (30) days of the expiration or termination date, and shall restore the Premises to its prior condition, satisfactory to the Parks Director.
17. Staff: Vendor shall maintain customer service as a top priority. Vendor shall employ a sufficient number of qualified staff to properly operate the Concession. Vendor shall provide employees who are professional, friendly, and courteous to customers and the general public. Employees shall maintain a neat appearance, exercise good public relations skills, respond to customer complaints and questions, and conduct themselves in

a high standard acceptable to County. Vendor and staff shall wear appropriate attire which, in the sole determination of County, clearly distinguishes Concession staff from County and Milwaukee County Parks staff.

18. Nondiscrimination, Affirmative Action and DBE Goals:

20.1 Generally: There shall be no discrimination against or segregation of any person, or group of persons, on account of gender, age, race, color, religion, creed, national origin or ancestry in the use of the Premises or the Concession, and Vendor (or any person claiming under or through Vendor) shall not establish or permit any such practice or practices of discrimination or segregation with reference to the Premises or the Concession.

20.2 Non-Discrimination: Vendor certifies that it will not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex or handicap which includes, but is not limited to, the following: employment, upgrading, demotion or transfer, recruitment, or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor will post in conspicuous places, available for employment, notices setting forth the provisions of the non-discriminatory clause. Attached hereto as Exhibit C is an Equal Opportunity Certificate that shall be executed and delivered by Vendor simultaneously with the execution and delivery of the Agreement.

20.3 Affirmative Action Program: Vendor certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Vendor also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.

20.4 Affirmative Action Plan: Vendor certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.

20.5 Non-Segregated Facilities: Vendor certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained.

20.6 Reporting Requirement: When applicable, Vendor certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.

20.7 Compliance: Vendor certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.

20.8 Disadvantaged Business Enterprise Goals: Vendor shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of seventeen percent (17%) for professional services contracts, and to use good faith efforts to achieve those goals. The Milwaukee County Community Business Development Partners shall assist Vendor in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Vendor's contact regarding DBE participation is: Interim Director, Nelson Soler, at (414) 289-4608.

19. Site Restoration: Both Vendor and County shall together participate in a pre-season and post-season inspection of the Premises. Vendor shall be responsible for any actual documented physical damage to the Premises caused by Vendor, its employees, agents, representatives, and guests. Within five (5) days of the discovery of any such damage, the Premises shall be restored to the satisfaction of the Parks Director.
20. Security: Unarmed security personnel are permitted within the Premises for the purposes of checking identification and general observation. Vendor shall be solely responsible for and assume all risks related to the security and protection of the Premises and any equipment and for the prevention of unauthorized access to the Premises. Vendor expressly acknowledges that any security measures deemed necessary or desirable for protection of the Facility shall be the sole responsibility of Vendor at no cost to County. Vendor shall notify County of any incident resulting in loss or damage to the Premises or breach of security whether or not such incident is reported to the Milwaukee County Sheriff's Office.
21. Inspection by County: County shall at all reasonable times have the right to enter the Premises and the Facility to inspect the condition thereof, and to improve or repair the Premises, and to make such repairs, alterations, improvements or additions as County may deem necessary or desirable; provided, however, such entry shall be done in such a manner that it does not unreasonably interfere with the conduct of Vendor's use of the Premises.
22. Interest: Unless waived by County Board of Supervisors, Vendor shall be responsible for payment of interest on amounts not remitted in accordance with this Agreement. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (one-percent (1%) per month or fraction of a month) as described in Wisconsin statutes section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

24.1 Penalty: In addition to the interest described above, Vendor may be responsible for payment of penalty on amounts not remitted in accordance with this Agreement, as may be determined by County. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County ordinance section 6.06(1) and Wisconsin statutes section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

24.2 Audit Results: If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Vendor shall remit to the County any additional amounts identified due and owing for the audit including interest

and penalty thereon within thirty (30) days following receipt of the audit report by the County.

24.3 Nonexclusivity: This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Vendor's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under this Agreement, including but not limited to termination of this Agreement.

23. Audit: Pursuant to Milwaukee County ordinance section 56.30(6)(e), Vendor shall allow the County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Vendor, including not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. Any subcontracting by Vendor in performing the duties described under this Agreement shall subject the subcontractor and/or associates to the same audit terms and conditions as the Vendor. Vendor (or any subcontractor) shall maintain and make available to County the aforementioned audit information for no less than three years after the conclusion of this Agreement.
24. Insurance: Vendor shall acquire and maintain the established insurance and liability limits for the Concession. Such evidence shall include insurance coverage in the following minimum amounts:

Type of Coverage	Minimum Limits
Commercial General Liability	
Bodily Injury and Property Damage (incl. Personal Injury, Fire Legal, Contractual & Products/Completed Operations)	\$1,000,000 Per Occurrence \$1,000,000 General Aggregate
Advertising Injury	\$1,000,000
Automobile Liability	
Bodily Injury & Property Damage All Autos - Owned, non-owned and/or hired Uninsured Motorists	\$1,000,000 Per Accident Per Wisconsin Requirements
Wisconsin Workers Compensation or Proof of All States Coverage	Statutory
Employers' Liability	\$100,000/\$500,000/\$100,000

Milwaukee County will be named as an additional insured for General Liability and be afforded a thirty (30)-day notice of cancellation or non-renewal. A waiver of

subrogation for Workers Compensation by endorsement in favor of Milwaukee County shall be provided. Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable.

A certificate indicating the above coverages shall be submitted by Vendor for the County's review and approval for each successive period of coverage for the duration of this Agreement.

Coverages shall be placed with an insurance company approved to do business in the State of Wisconsin and rated "A" per Best's Key Rating Guide. The insurance requirements contained within this Agreement are subject to periodic review and reasonable adjustment by the County Risk Manager consistent with similarly situated properties within the properties owned by the County.

25. Indemnification: To the fullest extent permitted by law, Vendor shall indemnify the County for, and hold it harmless from all liability, claims and demands on account of personal injuries, property damage and loss of any kind whatsoever, including workers' compensation claims, which arise out of or are in any manner connected to the Premises, based on any injury, damage or loss being caused by any wrongful, intentional, or negligent acts or omissions of the Vendor, its agents, or employees. Vendor shall, at its own expense, investigate all claims and demands, attend to their settlement or disposition, defend all actions based thereon and pay all charges of attorneys and other costs and expenses arising from any such injury, damage or loss, claim, demand or action.

25.1 Environmental Indemnification: Vendor shall, to the fullest extent provided for under any environmental laws, rules and regulations, be responsible for any required repair, cleanup, remediation or detoxification arising out of any Hazardous Materials brought onto or introduced into the Premises or surrounding areas by Vendor, or its agents. Vendor hereby agrees to indemnify, defend and hold County harmless from and against any and all liabilities, costs, expenses (including attorney fees), damages (including but not limited to clean-up, remediation or detoxification of) or any other losses caused by its introduction of any such Hazardous Materials into or onto the Premises and any Hazardous Materials brought onto or introduced into the Premises as described below.

25.2 "Hazardous Materials" as the term is used herein shall mean any substance: (i) the presence of which requires investigation or remediation under any Federal, State or local statute, regulation, ordinance, order, action or policy; or (ii) which is or becomes defined as a "hazardous waste" or "hazardous substance" under any Federal, State or local statute, regulation, ordinance, or amendments thereto.

26. Assignment and Subletting: Vendor may not assign this Agreement, in whole or in part, or sublease any part of the Premises without the prior written approval of the Parks Director.
27. Default:

27.1 Definition: A "Default" will occur under this Agreement if: (a) A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default; or (b) Vendor ceases to do business as a going concern, ceases

to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Vendor's assets or Vendor's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or Vendor becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.

27.2 Remedies: If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party may terminate this Agreement by sixty (60) days prior written notice of termination of this Agreement to the defaulting party or by any other lawful means, in which case this Agreement and the Term shall terminate, and Vendor shall vacate the Premises on the termination date. Should County so choose, if Vendor is the defaulting party, Vendor shall cooperate in continuing to staff the Concession during a transition period as County seeks an alternate service provider. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Section 3 earned as of the date the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.

27.3 No Waiver: No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Section 3 during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Vendor, and no Default, shall be modified, except by a written instrument executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.

27.4 Survival: No expiration or termination of this Agreement and no entry into or onto the Premises by County after such expiration or termination shall relieve Vendor of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.

28. Termination. The County may terminate the Agreement in the event that the Milwaukee County Board of Supervisors, via official action and resolution, and with notice to Vendor, effects to close the Facility in the Park or the Park during the Term. If County terminates the Agreement pursuant to this Section, County shall relocate the Concession to another Milwaukee County Parks location reasonably mutually acceptable to Vendor and County. Such location shall be selected in order to account for the unique, "open-sky" requirements of Vendor's business. If the Facility shall be relocated, the County shall relocate the Facility or pay all documented expenses associated therewith.

29. Independent Contractor: Nothing contained in this Agreement shall constitute or be construed to create a partnership or joint venture between County or its successors or assigns and Vendor or its successors or assigns. This Agreement does not create the relationship of principal and agent.
30. Notices: All notices with respect to this Agreement shall be in writing. Except as otherwise expressly provided in this Agreement, a notice shall be deemed duly given and received upon delivery, if delivered by hand or after posting via US Mail, to the party addressed as follows:

To Vendor:  
Gift of Wings, Inc.  
Attn: Scott Fisher

Franklin, WI 53132

To County:  
Milwaukee County Dept. of Parks  
Parks Director  
9480 Watertown Plank Road  
Wauwatosa, WI 53226

Either party may designate a new address for purposes of this Agreement by written notice to the other party.

31. Integration; Order of Precedence: The parties understand and agree that the RFP and Vendor's RFP Response are incorporated into and made a part of this Agreement by this specific reference. In the event of a conflict or disagreement among the documents, the following order of precedence shall govern:
- (a) Written amendments to the Agreement;
  - (b) The Agreement;
  - (c) The RFP; and
  - (d) Vendor's original RFP Response, dated February 1, 2013.

Subject: Due Diligence Report for a Catering and Facilities Management Service Agreement with Grandview Management, Inc. d/b/a Zilli Hospitality Group to provide food, beverage, bar, banquet, and facility management services at Boerner Botanical Gardens Educational & Visitors Center in Whitnall Park.

**Request**

The Department of Parks, Recreation, and Culture (Parks) requests approval to enter into a ten-year agreement with Zilli Hospitality Group (Zilli) to provide food, beverage, bar, banquet, and facility management services at Boerner Botanical Gardens Educational & Visitors Center in Whitnall Park.

**Background**

In August 2012, Parks issued a Request for Proposals (RFP) for catering and facility management services at the Boerner Botanical Gardens at Whitnall Park. Zilli was selected as the successful bidder to replace the current vendor, whose agreement expires on December 31, 2013. In the past five years, Parks has received an average of \$67,184 in annual revenue from the concession<sup>1</sup>. Zilli has current agreements with the County to provide food and beverage catering services at the Mitchell Park Domes and to operate Coast Restaurant at the O'Donnell Park Pavilion.

**Review & Analysis**

The Department of Administration - Fiscal Affairs (DAS), Corporation Counsel, Risk Management, and Community Business Development Partners have reviewed the draft proposal with Zilli.

The term of the proposed agreement is ten (10) years with a five (5) year mutual option for an extended term. The start date is January 1, 2014 and the original term expires on December 31, 2023. If the mutual option is exercised, the agreement will expire on December 31, 2028. The agreement may be terminated by either the County or Zilli if either party fails to comply with any provision of the agreement, provided the failure continues for 30 days after written notice.

Per terms of the proposed agreement, the County will receive a percentage of total gross receipts as follows:

---

<sup>1</sup> Based on data from the Milwaukee County Fiscal Intranet for actual revenues (Functional Code VH02; Activity Code KRSE; Revenue Sources 3560, 3603, 3613, 3649; Agency 900; Fund 001)

Annual Gross Receipts

Percentage Paid to County

\$500,001 - \$1,000,000	11%
\$1,000,001 - \$1,500,000	13%
\$1,500,000 +	17%

The County is also guaranteed an annual minimum commission. For the first five years of the proposed agreement (2014 to 2019), the County's guaranteed minimum is \$84,000. For the subsequent five years of the initial term and the extended term, the County is guaranteed \$96,000 annually.

Per the terms of the proposed agreement, Zilli may determine that any County-owned catering and kitchen equipment requires repair. Zilli may then repair or replace such equipment at its own expense. If Zilli chooses to replace such equipment, the equipment becomes property of Zilli rather than the County.

Should the County and Zilli agree to the to the additional five year term, Zilli will make \$75,000 in capital improvements during the 11<sup>th</sup> contract year (2024). If the additional five year term is not mutually agreed to, the contract will expire on December 31, 2023 with no requirement for capital improvements.

Per the terms of the proposed agreement, Zilli is responsible for all necessary repairs to catering equipment in areas of the facility covered by the agreement, provided the total cost of each individual repair does not exceed \$5,000. The County is responsible for all major repairs in excess of \$5,000. Zilli must also keep plumbing, electrical, lighting, doors, windows, and HVAC systems in good condition so the facility will be returned to the County in the same or better condition (ordinary wear and tear excepted).

**Recommendation**

Upon review of the available information, DAS recommends approval of the vendor permit agreement, with the following recommendation:

1. Section 6.2 – Equipment and Fixtures
  - i. Part of this section provides that the County is responsible for replacing any County-owned kitchen and catering equipment that is not in good order and working condition at the start of the agreement. At any other point of the agreement, Zilli is responsible for such replacement and would retain ownership of the equipment. In order to provide a financial safeguard to the County, DAS recommends that Zilli be responsible for replacement of equipment at the start of the agreement as well as throughout the agreement.

Subject: **Request to Enter into a Catering and Facility Management Services Agreement at the Boerner Botanical Gardens Educational & Visitors Center – ACTION**

### POLICY

The Department of Parks, Recreation and Culture (DPRC) respectfully requests authorization to enter into a catering and facility management services agreement for the Educational & Visitors Center at Boerner Botanical Gardens in Whitnall Park.

### BACKGROUND

The 2012 Adopted Budget authorized and directed the DPRC to issue a Request for Proposals (RFP) for vendors interested in providing catering and facility management services at Boerner Botanical Gardens to assist it in becoming self-sustaining.

In August 2012, the DPRC issued the RFP and Grandview Management, Inc., d/b/a Zilli Hospitality Group (ZHG), responded to the RFP and, meeting all terms and conditions of the process, was awarded the opportunity. ZHG has

been a long-standing partner with Milwaukee County and the DPRC with contracts to provide services at the Mitchell Park Domes, O'Donnell Park, Transit Center, Milwaukee Public Museum, Charles Allis Art Museum, and others.

The term of this agreement is ten (10) years and, upon mutual agreement, one (1) five (5) year extension. ZHG guaranteed the DPRC commission of \$900,000 for the first ten (10) years and an additional \$480,000 during the 5-year extension, if renewed. In addition, a percentage of gross receipts, per operating year, will be paid on an escalating scale dependent on annual revenue generated. ZHG will be responsible for payment of 33% of all utility bills.

ZHG proposed and has agreed to an investment of \$75,000 in capital improvements during year eleven (11) and will become the property of Milwaukee County. ZHG will provide the DPRC a \$25,000 in-kind contribution per operating year.

On April 29, 2013, an Administrative Review Determination Panel (ARDP) convened as provided for under Milw. Co. Ord 110.07 in response to an appeal of the DPRC recommendation to award this contract to ZHG. Frequency of cleaning will depend upon the type of food prepared and how well grease is managed in the kitchen.
- (d) Waste Disposal. FOG removed from a grease interceptor shall be disposed of in a solid waste disposal system or by a certified grease hauler. FOG removed from a grease interceptor shall be disposed of at a

facility permitted to receive such wastes. No FOG shall be returned, decanted or discharged to any grease interceptor or into any portion of any private or County sanitary sewer system or water treatment facility.

Cleaning and/or maintenance records shall include, at a minimum: (a) the dates of cleaning/maintenance; (b) the names and business addresses of each company or person performing the cleaning/maintenance; (c) the volume of waste removed in each cleaning/maintenance; (d) information regarding each FOG disposal, including location of the waste disposal site and a copy of the original manifest from the hauler, if applicable; and (e) description of any repairs needed to the GCD, date repairs performed and name of repairer. 9.4 Audit and Examination Rights. Pursuant to Milwaukee County Ordinance Section 56.30(6)(e), Operator and its affiliates shall allow Milwaukee County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Operator or its affiliates, including handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. ### **ARTICLE XIII INTEREST**

13.1 Interest Rate. Unless waived by the County Board of Supervisors, Operator shall be responsible for payment of interest on amounts not remitted in accordance with the terms of the Agreement with County. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (1% per month or fraction of a month) as described in Wisconsin Statutes Section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

13.2 Penalty Amounts. In addition to the interest described above, Operator may be responsible for payment of penalty on amounts not remitted in accordance with the terms of the Agreement with County, as may be determined by the administrator of this Agreement, or his designee. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County Ordinance section 6.06(1) and Wisconsin Statutes Section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

13.3 Further Penalties. If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Operator shall remit to the County

any additional amounts due and owing for the audit including interest and penalty thereon within thirty (30) days following receipt of the audit report by Milwaukee County.

13.4 Non-Exclusive Remedies. This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Operator's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under the Agreement, including but not limited to termination of this Agreement.

#### **ARTICLE XIV EVENTS OF DEFAULT; REMEDIES**

14.1 Events of Default. A "Default" will occur under this Agreement if:

- (a) Breach. A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default;
- (b) Bankruptcy or Insolvency. Operator ceases to do business as a going concern, ceases to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Operator's assets or Operator's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or
- (c) Succession in Interest without County's Consent. Operator becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.

14.2 Remedies. If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party's remedies shall include:

- (a) Termination of Operator's Rights. The non-defaulting party may terminate this Agreement by written notice of termination of this Agreement to the defaulting party or by any other lawful means, if the defaulting party has not begun to cure the default within such thirty (30) day period or if the default is of the type that would reasonably take longer than thirty (30) days to cure, the defaulting party has not begun to cure the default within such (30) thirty days and exercise reasonable diligence to complete such cure in which case this Agreement and

the Term shall terminate, and Operator shall vacate the Facility on the termination date. Should County so choose, if Operator is the defaulting party, Operator shall cooperate in providing the Catering Services during a transition period as County seeks an alternate service provider at the Facility. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Article III earned as of the date the Agreement terminates. If County is the non-defaulting party, it shall be paid a prorated portion of the guaranteed commission set forth in Section 3.1 and any Gross Receipts to reflect that point in the Operating Year on which the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.

- (b) Suits before Termination. The County may sue the Operator for damages or to recover the amounts set forth in Article III, from time to time, at the County's election, without terminating this Agreement.
- (c) Receipt of Moneys. No receipt of money by County from Operator after the termination of this Agreement, or after the giving of any notice of termination of this Agreement, shall reinstate, continue, or extend this Agreement or affect any notice previously given to Operator, or waive County's right to enforce payment of any amount payable or later falling due, or County's right to enter the Facility, except as this Agreement expressly states otherwise, it being agreed that after service of notice of termination of this Agreement or the commencement of suit or proceedings, or after final order or judgment, the County may demand, receive, and collect any moneys due or thereafter falling due, without in any manner affecting such notice, proceeding, order, suit or judgment, all such moneys collected being deemed payments on account of use of the Facility or, at the County's election, on account of Operator's liability to County.
- (d) No Waiver. No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Article III during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Operator, and no Default, shall be modified, except by a written instrument executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.

14.3 Accord and Satisfaction; Partial Payments. No payment by Operator or receipt by County of a lesser amount than the amount owed under this Agreement shall be deemed to be other than a part payment on account by Operator. Any endorsement or statement on any check or letter accompanying any check or payment of the amounts set forth in Article III or any other amount shall not be deemed an accord or satisfaction. County may accept any such check or payment without prejudice to County's right to recover the balance of such amounts or other payment or pursue any other remedy.

14.4 Survival. No expiration or termination of this Agreement and no entry into or onto the Facility by County after such expiration or termination shall relieve Operator of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.

## **ARTICLE XV NONDISCRIMINATION, AFFIRMATIVE ACTION AND DBE GOALS**

15.1 Generally. There shall be no discrimination against or segregation of any person, or group of persons, on account of gender, age, race, color, religion, creed, national origin or ancestry in the use of the Facility, and Operator (or any person claiming under or through Operator) shall not establish or permit any such practice or practices of discrimination or segregation with reference to the Facility.

15.2 Non-Discrimination. Operator certifies that it will not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex or handicap which includes, but is not limited to, the following: employment, upgrading, demotion or transfer, recruitment, or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Operator will post in conspicuous places, available for employment, notices setting forth the provisions of the non-discriminatory clause. Attached hereto as Exhibit E is an Equal Opportunity Certificate that shall be executed and delivered by Operator simultaneously with the execution and delivery of the Agreement.

15.3 Affirmative Action Program. Operator certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Operator also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.

15.4 Affirmative Action Plan. Operator certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of

Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.

15.5 Non-Segregated Facilities. Operator certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained.

15.6 Reporting Requirement. When applicable, Operator certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.

15.7 Compliance. Operator certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.

15.8 Disadvantaged Business Enterprise Goals. Operator shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of ten percent (10%) for goods and services, purchases and subcontracts, and to use good faith efforts to achieve those goals. The Milwaukee County Community Business Development Partners shall assist Operator in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Operator's contact regarding DBE participation is: Interim Director, Nelson Soler, at (414) 289-4608.

## **ARTICLE XVI CONFLICT OF INTEREST; CODE OF ETHICS**

16.1 Conflict of Interest. During the Term, Operator shall not hire, retain or utilize for compensation any member, officer or employee of the County or any person who, to the actual knowledge (without inquiry) of Operator, has a Conflict of Interest. A "Conflict of Interest" is a set of circumstances that creates a risk that professional judgment or actions regarding a primary interest will be unduly influenced by a secondary interest.

16.2 Code of Ethics. Operator hereby acknowledges that portion of County's Code of Ethics, which states in part: No person may offer to give to any County officer or employee or his immediate family, and no County officer or employee or his immediate family may solicit or receive anything of value pursuant to an understanding that such officer's or employee's vote, official actions or judgment would be influenced thereby.

## **ARTICLE XVII MISCELLANEOUS**

17.1 Integration; Order of Precedence. The parties understand and agree that the RFP and Operator's RFP Response, including Operator's "Best and Final Offer" RFP Response,

are incorporated into and made a part of this Agreement by this specific reference. In the event of a conflict or disagreement among the documents, the following order of precedence shall govern:

- (a) Written amendments to the Agreement;
- (b) The Agreement;
- (c) The RFP;
- (d) Operator's "Best and Final Offer" RFP Response; and
- (e) Operator's original RFP Response, dated October 5, 2012.

17.2 No Waiver by Silence. Failure of either party to complain of any act or omission on the part of the other party shall not be deemed a waiver by the noncomplaining party of any of its rights under this Agreement. No waiver by either party at any time, express or implied, of any breach of this Agreement shall waive the same such breach at another time or any other breach.

17.3 Performance Under Protest. If a dispute arises about performance of any obligation under this Agreement, the party against which such obligation is asserted shall have the right to perform such obligation under protest, which shall not be regarded as voluntary performance. A party that has performed under protest may institute appropriate proceedings to determine the parties' rights and obligations regarding such performance and, if appropriate, to recover any amount paid or the reasonable cost of otherwise complying with any such obligation.

17.4 Survival. All rights and obligations that by their nature are to be performed after any termination of this Agreement shall survive any such termination.

17.5 Captions. The captions of this Agreement are for convenience and reference only and in no way affect this Agreement.

17.6 Counterparts. This Agreement may be executed in counterpart originals, each of which shall constitute an original of this Agreement and that, collectively, shall constitute one and the same agreement.

17.7 Delivery of Drafts. Neither party shall be bound by this Agreement unless and until the authorized representatives and such party has/have executed, at least, one counterpart original of this Agreement and delivered such executed counterpart original to the other party. The submission of drafts or comments on drafts shall not bind either party in any way. Such drafts and comments shall not be considered in interpreting this Agreement.

17.8 Modification. Any modification to this Agreement must be evidenced by a writing agreed upon and executed by both County and Operator to be binding on either party.

17.9 Governing Law and Venue. This Agreement, its interpretation and performance, the relationship between the parties, and any disputes arising from or relating to any of the foregoing, shall be governed, construed, interpreted, and regulated under the laws of the State of Wisconsin, without regard to principles of conflicts of laws.

17.10 Partial Invalidity/Severability. If any term or provision of this Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Agreement, or the application of such term or provision to Persons or circumstances, except those as to which it is invalid or unenforceable, shall not be affected by such invalidity. All remaining provisions of this Agreement shall be valid and be enforced to the fullest extent the law allows.

17.11 Principles of Interpretation. No inference in favor of or against any party shall be drawn from the fact that such party has drafted any part of this Agreement. The parties have both participated substantially in the negotiation, drafting, and revision of this Agreement, with advice from counsel and other advisers of their own selection. A term defined in the singular in this Agreement may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which also govern all other language in this Agreement. The words "include" and "including" shall be construed to be followed by the words: "without limitation."

17.12 Independent Contractor/Disclaimer of Partnership. The relationship of the parties to this Agreement is that of the owner and third-party contractor, and it is expressly understood and agreed that County does not, as a result of this Agreement, in any way, nor for any purpose, become a partner of or a joint venturer with Operator in the conduct of Operator's business or otherwise. This Agreement is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture or association as between County and Operator.

17.13 Condition; Final Approval. This Agreement is expressly conditioned upon and subject to the approval of the Milwaukee County Board of Supervisors and shall not be or become effective or binding on either County or Operator, unless and until formally approved by the Milwaukee County Board of Supervisors and fully executed by the authorized representatives of each Party.

Either

party may change its address for delivery of notices by written notice in compliance with this Agreement. Notice of such a change shall be effective only upon receipt. Any party giving a notice may request the recipient to acknowledge receipt of such notice. The recipient shall promptly comply with any such request, but failure to do so shall not limit the effectiveness of any notice. Any attorney may give any notice on behalf of his or her client.

**County of Milwaukee  
Interoffice Communication**

Date: April 30, 2013

To: Supervisor Gerry Broderick, Chair, Parks Energy and Environment Committee

From: Josh Fudge, Interim Fiscal and Budget Administrator, Department of Administrative Services

Subject: Due Diligence Report for an agreement with Funtime LLC d/b/a Wheel Fun Rentals to provide paddleboat rental concession services at Veterans Park

**Request**

The Department of Parks, Recreation, and Culture (Parks) requests approval to enter into a five (5) year agreement with Wheel Fun Rentals (Wheel Fun) to provide paddleboat rental concession services at Veterans Park.

**Background**

In January 2013, Parks issued a Request for Proposals (RFP) for paddleboat rental services at the lagoon at Veterans Park. Wheel Fun was selected as the successful bidder to replace the current vendor, whose agreement expired in 2012. During the five-year term of the previous contract, Parks received an average of \$12,904 in annual revenue from the concession<sup>1</sup>.

**Review & Analysis**

The Department of Administration - Fiscal Affairs (DAS), Corporation Counsel, Risk Management, and Community Business Development Partners have reviewed the draft proposal with Wheel Fun.

Wheel Fun would be permitted to operate a concession for the rental of paddleboats, kayaks, canoes, and related items at the Veterans Park Lagoon. Wheel Fun would also be authorized to erect a structure on the premises, with the approval of the Director of Parks and DAS-Facilities Management, Architecture and Engineering Section. The proposed structure would be owned by Wheel Fun. Upon expiration or termination of the agreement, the Vendor shall remove all of its supplies, displays, and related items (including the proposed structure) within three (3) days.

The term of the proposed agreement is five (5) years with two one (1) year mutual options for an extended term. The agreement begins on the execution date and the original term expires on March 30, 2018. If the mutual options are exercised, the agreement will expire on March 30, 2020. The agreement may be terminated by either party for cause if a failure to comply with any provision of the agreement is not cured in

a timely manner. Upon expiration or termination of the agreement, Wheel Fun shall remove all of its supplies, displays and related items within three (3) days.

Per terms of the proposed agreement, the County will receive 20% of all gross receipts with a guaranteed annual minimum of \$22,000 in 2013. The minimum commission to the County automatically increases \$250 each year. The agreement with the previous vendor (in effect from 2008 to 2012) provided that the County would receive 15% of gross receipts with no annual minimum. The chart below shows the actual amount of revenue received from the concession and the projected amount of revenue based on the terms of the proposed agreement. An annual 1% increase in gross receipts from 2012 actual activity is assumed for future years.

<u>Year</u>	<u>Revenue</u>
2008 - Actual	\$ 11,752
2009 - Actual	\$ 11,962
2010 - Actual	\$ 12,221
2011 - Actual	\$ 13,279
2012 - Actual	\$ 15,304
2013 - Projected	\$ 22,000
2014 - Projected	\$ 22,250
2015 - Projected	\$ 22,500
2016 - Projected	\$ 22,750
2017 - Projected	\$ 23,000

**Recommendation**

Upon review of the available information, and changes made to the agreement based on consultation with Corporation Counsel, Risk Management, Parks, and CBDP staff, DAS recommends approval of the vendor permit agreement.

From: James Keegan, Interim Director, Department of Parks, Recreation and Culture

Subject: **Request to Enter into a Vendor Permit Agreement for Paddleboat Rental Concession Services at the Lakefront – ACTION**

**POLICY**

The Department of Parks, Recreation and Culture (DPRC) respectfully requests authorization to enter into a vendor permit agreement for paddleboat concession services at the lakefront.

**BACKGROUND**

In January 2013, the DPRC issued a number of Requests for Proposals (RFP) to provide various concession services in the Milwaukee County Parks located on the lakefront. Funtime LLC d/b/a Wheel Fun Rentals (Wheel Fun) responded to the paddleboat concessions RFP and, meeting all terms and conditions of the process, was awarded the opportunity. Wheel Fun would be permitted to operate a concession for the rental of paddleboats and related items. The vendor would also be permitted to sell non-alcoholic beverages and various pre-packaged food items.

The term of this agreement is five (5) years with two (2) options to extend the term for one (1) additional consecutive year. The vendor has agreed to pay the

County \$112,500 over the first five (5) years and an additional \$23,250 in year six (6) and \$23,500 in year seven (7), if renewed. In addition, there is a percentage profit-sharing agreement if gross receipts exceed established amounts.

Wheel Fun will be permitted to construct a small rental kiosk, only after receiving approval from Milwaukee County regarding design and placement, near the lagoon in Veterans Park. Wheel Fun will be responsible for utility hookups and monthly payments.

Wheel Fun will be required to submit a list and pricing information for the products it intends to rent or sell to the public for approval by the DPRC. The Parks Director maintains the right to prohibit the sale or rental of any item that is deemed inappropriate or otherwise. Wheel Fun is required to maintain customer service as a top priority and provide employees who are neat in appearance, professional, friendly, and courteous to customers and the general public. The concession is a fair-weather operation open daily, weather permitting.

On April 29, 2013, an Administrative Review Determination Panel (ARDP) convened as provided for under Milw. Co. Ord 110.07 in response to an appeal of the DPRC recommendation to award this contract to Wheel Fun Rentals. The ARDP was responsible for reviewing the RFP process used by the DPRC to ensure compliance with existing rules and regulations.

The ARDP unanimously affirmed that the DPRC followed proper protocol in issuing the RFP and making the recommendation that the contract be awarded to Wheel Fun Rentals.

### **RECOMMENDATION**

The Interim Parks Director respectfully recommends that the DPRC be authorized to enter into a vendor permit agreement with Funtime LLC d/b/a Wheel Fun Rentals for paddleboat concession services at the lakefront.

**WHEREAS**, the Milwaukee County Board of Supervisors, by virtue of adopting Resolution \_\_\_\_ on \_\_\_\_, 2013, has authorized the Interim Director of the Department of Parks, Recreation and Culture ("DPRC") to enter into this agreement with the Vendor for and on behalf of Milwaukee County.

**NOW THEREFORE**, Vendor is hereby awarded a contract to provide the concession services per all terms and conditions in the RFP and as indicated in the Vendor's complete response thereto, which documents are both hereby incorporated by reference. Each party, for good and valuable consideration and the promises of County and Vendor set forth in this Agreement, agrees as follows:

**PROVISIONS:**

1. Operation of Concession:

1.1 General: Vendor is permitted to operate a concession for the rental of paddleboats, kayaks, canoes, barracudas, and related items (the "Concession"). The Concession shall be operated off the Lagoon at Veterans Park at 1400 North Lincoln Memorial Drive, Milwaukee, Wisconsin (the "Premises"). Vendor shall be the sole owner of the structure operated on the Premises (the "Facility"). Vendor shall have the exclusive right to provide the above-indicated service in the Park. The Concession is a fair-weather operation, and the times of operation shall be mutually agreed upon between Vendor and the County. Vendor shall suspend operation of the Concession whenever the Park is closed.

Vendor shall comply with all current Milwaukee County Parks

practices, including compliance with agreements regarding Milwaukee County Parks's exclusive non-alcoholic beverage provider and prohibitions on the sale of gum and glass bottles.

1.3 Special Events: Any special events hosted by Vendor shall be governed by standard DPRC and Milwaukee County procedures.

1.4 Prerequisites: This Agreement and the obligations of County and Vendor hereunder are contingent upon Vendor successfully meeting the Milwaukee County "Due Diligence" requirements in a timely manner (see attached, as Exhibit A).

1.5 Rights Reserved to County: County reserves the right to award a contract with one (1) or more additional vendors to provide other concessionable items in other areas of the Park. County further reserves the right to operate its own concession area during any and all events held in its Parks. County also reserves the right to close the Concession and use the Lagoon and related amenities, free of charge, and retain all Gross Receipts (as hereinafter defined) derived therefrom, for up to ten (10) days of County's choice during each Contract Year of the Term (as hereinafter defined) of the Agreement. County shall provide Vendor at least thirty (30) days' prior notice of its intent to close the Concession and use the Lagoon pursuant to this Section 1.5. "Gross Receipts" shall mean the total of all receipts (cash, checks, credit cards) derived from the sale of all merchandise associated with the Concession, less sales tax. Deductions for client non-payments or bad-debt expenses are not allowed. "Contract Year" means the twelve (12) calendar months starting on the Effective Date and every subsequent twelve (12)-month period during the Term.

2. Term: This Agreement shall commence on the Effective Date and expire on March 30, 2018 (the "Initial Term"). The Parties shall have two (2) options to extend the Term for one (1) additional consecutive year if mutually agreeable to both Parties (each such period, a "Renewal Term"). Such option may be exercised so long as Vendor first provides written notice to County of its desire to enter into a Renewal Term at least six (6) months' prior to the then-current Term expiration date. The Initial Term and any then-existing Renewal Term shall be referred to as the "Term" herein.

3. Payment: Vendor shall pay County the following amounts at the close of each June, July, August, and September during the Term:

Year One	\$5500
Year Two	\$5562.50
Year Three	\$5625

Year Seven (if renewed)	\$5875

County shall invoice Vendor for the above-referenced amounts within fifteen (15) days at the close of the applicable month, and Vendor shall pay County within thirty (30) days of receipt of invoice. If, over the course of Vendor's Operating Year (as hereinafter defined), twenty percent (20%) of Vendor's Gross Receipts (the "Gross Receipt Percentage") is greater than the total amount invoiced to Vendor for such Operating Year pursuant to this Section 3 (the "Flat Fee"), Vendor shall remit to County the

difference between the Gross Receipt Percentage and the Flat Fee by April 1. An "Operating Year" shall be that period from March 1 through the last day of February of each year of the Agreement; provided, however, that during the initial year of the Term, the Operating Year shall be from the Effective Date through March 1. Checks shall be made payable to the Milwaukee County Treasurer and mailed or delivered to: Milwaukee County Parks Department, Milwaukee County Treasurer, 9480 Watertown Plank Rd., Wauwatosa, Wisconsin, 53226.

5. Sales Reports: Upon demand, Vendor agrees to compile and provide County with a detailed summary report of all sales activities, a financial reconciliation of all commissions owed and paid, and remit to County any additional amounts as may be required.
6. Alterations and Improvements: Prior to the start of any construction or renovation of the Facility and the Premises, including any subsequent alterations or renovations, Vendor shall submit any detailed construction plans and specifications to the Parks Department and the Architecture and Engineering Section of Milwaukee County Facilities Management for review and approval. In no event shall Vendor make any alterations or additions to the Facility or the Premises without the prior written consent of the Parks Department and the Architecture and Engineering Section of Milwaukee County Facilities Management. All development and landscaping shall be completed in a first-class manner and consistent with the standards established for other work in Milwaukee County Parks. Any and all alterations, additions and improvements shall be made in compliance with all statutes, laws, ordinances, rules, and regulations of any governmental authority having jurisdiction over the Premises. Vendor shall also indemnify and hold County harmless from and against all statutory liens or claims of liens of any contractor, subcontractor, laborer or any other party which may arise in connection with any alteration, addition or improvement to the Facility or the Premises undertaken by or on behalf of Vendor. Vendor agrees to provide evidence satisfactory to the County that the total amount of funds necessary to construct the Facility or any proposed renovations thereto are immediately available and dedicated to such purpose and documentation is in place to provide for the orderly disbursement of such funds during the course of construction to pay for all permits, material, labor, supplies, and any other miscellaneous items used or necessary for such construction. Vendor shall deliver to County evidence reasonably acceptable to the County that the total amount of such funds are immediately available and dedicated for the above purpose prior to any construction activities taking place on the Premises.
7. Parks Logo: Vendor is responsible for all marketing and advertising to promote its activities. Vendor shall acknowledge the Parks Department and include the Parks logo in all promotional materials, whether print or digital, directly related to its activities covered under this Agreement. Cleanliness; Garbage: Vendor is responsible for maintaining the Premises and surrounding areas, at least twenty-five (25) feet beyond the Concession, in a state of cleanliness and repair to prevent injury to the public. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful hazard, nor any material detrimental to the public health, shall be permitted to remain on the Premises, and Vendor shall prevent any such matter or material from being or accumulating on the Premises. No equipment provided by County shall be removed or replaced by Vendor without the prior written consent of the Parks Director, and if consent is secured, removal and/or replacement shall be at Vendor's expense.
15. Removal of Facility, Equipment and Supplies: Upon expiration or termination of this Agreement for any reason or no reason, Vendor shall remove, at its costs, the Facility and all of its supplies, displays, and related items from the Premises within three (3) days of the expiration or termination date, and shall restore the Premises to its prior condition, satisfactory to the Parks Director.

16. Staff: Vendor shall maintain customer service as a top priority. Vendor shall employ a sufficient number of qualified staff to properly operate the Concession. Vendor shall provide employees who are professional, friendly, and courteous to customers and the general public. Employees shall maintain a neat appearance, exercise good public relations skills, respond to customer complaints and questions, and conduct themselves in a high standard acceptable to County. 17.3 Affirmative Action Program: Vendor certifies that it will strive to implement the principles of equal employment opportunity through an effective affirmative action program which shall have as its objective to increase the utilization of women, minorities and handicapped persons and other protected groups, at all levels of employment in all divisions of its work force, where these groups may have been previously under-utilized and under-represented. Vendor also agrees that in the event of any disputes as to compliance with the aforementioned requirements, it shall be its responsibility to show that it has exercised good faith efforts to meet all requirements.

17.4 Affirmative Action Plan: Vendor certifies that if it has fifty (50) or more employees, it has filed or will develop and submit a written Affirmative Action Plan. Current Affirmative Action Plan, if required, must be filed with any of the following: The Office of Federal Contract Compliance Programs, the State of Wisconsin, or the Milwaukee County Department of Audit, City Campus, 9th Floor.

17.5 Non-Segregated Facilities: Vendor certifies that it does not and will not maintain or provide segregated facilities for its employees, and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained.

17.6 Reporting Requirement: When applicable, Vendor certifies that it will comply with all reporting requirements and procedures established in Title 41 Code of Federal Regulations, Chapter 60.

17.7 Compliance: Vendor certifies that it is not currently in receipt of any outstanding letters of deficiencies, show cause, probable cause, or other such notification of noncompliance with EEO regulations.

17.8 Disadvantaged Business Enterprise Goals: Vendor shall use reasonable efforts to cause its contractors to establish Disadvantaged Business Enterprise ("DBE") participation goals, consistent with Milwaukee County DBE goals of seventeen percent (17%) for professional services contracts, and to use good faith efforts to achieve those goals. The Milwaukee County Community Business Development Partners shall assist Vendor in soliciting potential DBE vendors for the improvements and monitor such goal attainment. Vendor's contact regarding DBE participation is: Director, Nelson Soler, at (414) 289-4608.

18. Site Restoration: Both Vendor and County shall together participate in a pre-season and post-season inspection of the Premises. Vendor shall be responsible for any actual documented physical damage to the Premises caused by Vendor, its employees, agents, representatives, and guests. Within five (5) days of the discovery of any such damage, the Premises shall be restored to the satisfaction of the Parks Director.
19. Security: Unarmed security personnel are permitted within the Premises for the purposes of checking identification and general observation. Vendor shall be solely responsible for and assume all risks related to the security and protection of the Premises and any equipment and for the prevention of unauthorized access to the Premises. Vendor expressly acknowledges that any security measures deemed necessary or desirable for protection of the Facility shall be the sole responsibility of Vendor at no cost to County. Vendor shall notify County of any incident resulting in loss or damage to the Premises or breach of security whether or not such incident is reported to the Milwaukee County Sheriff's Office.
20. Inspection by County: County shall at all reasonable times have the right to enter the Premises and the Facility to inspect the condition thereof, and to improve or repair the Premises, and to make such repairs, alterations, improvements or additions as County may deem necessary or desirable; provided, however, such entry shall be done in such a manner that it does not unreasonably interfere with the conduct of Vendor's use of the Premises.
21. Interest: Unless waived by County Board of Supervisors, Vendor shall be responsible for payment of interest on amounts not remitted in accordance with this Agreement. The rate of interest shall be the statutory rate in effect for delinquent County property taxes (one-percent (1%) per month or fraction of a month) as described in Wisconsin statutes section 74.47(1). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

21.1 Penalty: In addition to the interest described above, Vendor may be responsible for payment of penalty on amounts not remitted in accordance with this Agreement, as may be determined by County. The penalty shall be the statutory rate in effect for delinquent County property taxes (.5% per month, or fraction of a month) as described in Milwaukee County ordinance section 6.06(1) and Wisconsin statutes section 74.47(2). The obligation for payment and calculation thereof shall commence upon the day following the due dates established herein.

21.2 Audit Results: If, as a result of the annual audit required herein, additional amounts are disclosed to be due and owing to the County, interest and penalty shall be calculated thereon in accordance with the above method. Vendor shall remit to the County any additional amounts identified due and owing for the audit including interest and penalty thereon within thirty (30) days following receipt of the audit report by the County.

21.3 Nonexclusivity: This provision permitting collection of interest and penalty by the County on delinquent payments is not to be considered the County's exclusive remedy for Vendor's default or breach with respect to delinquent payment. The exercise of this remedy is not a waiver by the County of any other remedy permitted under this Agreement, including but not limited to termination of this Agreement.

22. Audit: Pursuant to Milwaukee County ordinance section 56.30(6)(e), Vendor shall allow the County or any other party the County may name, when and as they demand, to audit, examine and make copies of records in any form and format, meaning any medium on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by Vendor, including not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer files, computer printouts and optical disks, and excerpts or transcripts from any such records or other information directly relating to matters under this Agreement, all at no cost to County. Any subcontracting by Vendor in performing the duties described under this Agreement shall subject the subcontractor and/or associates to the same audit terms and conditions as the Vendor. Vendor (or any subcontractor) shall maintain and make available to County the aforementioned audit information for no less than three years after the conclusion of this Agreement.

23. Insurance: Vendor shall acquire and maintain the established insurance and liability limits for the Concession. Such evidence shall include insurance coverage in the following minimum amounts:

Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable.

A certificate indicating the above coverages shall be submitted by Vendor for the County's review and approval for each successive period of coverage for the duration of this Agreement.

Coverages shall be placed with an insurance company approved to do business in the State of Wisconsin and rated "A" per Best's Key Rating Guide. The insurance requirements contained within this Agreement are subject to periodic review and reasonable adjustment by the County Risk Manager consistent with similarly situated properties within the properties owned by the County.

24. Indemnification: To the fullest extent permitted by law, Vendor shall indemnify the County for, and hold it harmless from all liability, claims and demands on account of personal injuries, property damage and loss of any kind whatsoever, including workers' compensation claims, which arise out of or are in any manner connected to the Premises, based on any injury, damage or loss being caused by any wrongful, intentional, or negligent acts or omissions of the Vendor, its agents, or employees. Vendor shall, at its own expense, investigate all claims and demands, attend to their settlement or disposition, defend all actions based thereon and pay all charges of attorneys and other costs and expenses arising from any such injury, damage or loss, claim, demand or action.

24.1 Environmental Indemnification: Vendor shall, to the fullest extent provided for under any environmental laws, rules and regulations, be responsible for any required repair, cleanup, remediation or detoxification arising out of any Hazardous Materials brought onto or introduced into the Premises or surrounding areas by Vendor, or its agents. Vendor hereby agrees to indemnify, defend and hold County harmless from and against any and all liabilities, costs, expenses (including attorney fees), damages (including but not limited to clean-up, remediation or detoxification of) or any other losses caused by its introduction of any such Hazardous Materials into or onto the Premises and any Hazardous Materials brought onto or introduced into the Premises as described below.

24.2 "Hazardous Materials" as the term is used herein shall mean any substance: (i) the presence of which requires investigation or remediation under any Federal, State or local statute, regulation, ordinance, order, action or policy; or (ii) which is or becomes defined as a "hazardous waste" or "hazardous substance" under any Federal, State or local statute, regulation, ordinance, or amendments thereto.

25. Assignment and Subletting: Vendor may not assign this Agreement, in whole or in part, or sublease any part of the Premises without the prior written approval of the Parks Director.

26. Default:

26.1 Definition: A "Default" will occur under this Agreement if: (a) A party fails to comply with any provision in this Agreement, and such failure continues for thirty (30) days after a written notice from the other party setting forth in reasonable detail the nature of such default; or (b) Vendor ceases to do business as a going concern, ceases to pay its debts as they become due, or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any proceeding under any federal or state bankruptcy law, or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Vendor's assets or Vendor's interest in this Agreement and fails to remedy such condition within thirty (30) days after written notice from County; or Vendor becomes, without the prior written approval of County, a successor or merged entity in a merger, or a constituent entity in a consolidation, or an entity in a dissolution.

26.2 Remedies: If a Default occurs, then the non-defaulting party shall, at such party's option, have any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Agreement. The non-defaulting party's remedies shall include:

26.3 Termination of Rights: The non-defaulting party may terminate this Agreement by sixty (60) days prior written notice of termination of this Agreement to the defaulting party or by any other lawful means, in which case this Agreement and the Term shall terminate, and Vendor shall vacate the Premises on the termination date. Should County so choose, if Vendor is the defaulting party, Vendor shall cooperate in continuing to staff the Concession during a transition period as County seeks an alternate service provider. Additionally, the non-defaulting party may bring an action to recover any or all of the following from the defaulting party: (i) any unpaid amounts set forth in Section \_\_\_ earned as of the date the Agreement terminates; and (ii) any other amount reasonably and directly necessary to compensate the non-defaulting party for all detriment caused by and directly arising from the defaulting party's failure to perform its obligations under this Agreement.

26.4 No Waiver: No failure by the County to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy upon a Default, and no acceptance of full or partial amounts due pursuant to Section 3 during continuance of any such Default, shall waive any such Default or such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement to be performed or complied with by Vendor, and no Default, shall be modified, except by a written instrument executed by County. No waiver of any Default shall modify this Agreement. Each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Agreement.

26.5 Survival: No expiration or termination of this Agreement and no entry into or onto the Premises by County after such expiration or termination shall relieve Vendor of its liabilities and obligations under this Agreement, all of which shall survive such expiration, termination or entry.

27. Independent Contractor: Nothing contained in this Agreement shall constitute or be construed to create a partnership or joint venture between County or its successors or assigns and Vendor or its successors or assigns. This Agreement does not create the relationship of principal and agent.
28. Termination. The County may terminate the Agreement in the event that the Milwaukee County Board of Supervisors, via official action and resolution, effects to close the Facility in the Park or the Park during the Term. If County terminates the Agreement pursuant to this Section, County shall relocate the Concession to another Milwaukee County Parks location reasonably mutually acceptable to Vendor and County.
29. Notices: All notices with respect to this Agreement shall be in writing. Except as otherwise expressly provided in this Agreement, a notice shall be deemed duly given and received upon delivery, if delivered by hand or after posting via US Mail, to the party addressed as follows:
